Price Checking Status of Zoning Grant to Madison

A tracer on a joint application for federal aid to help finance a comprehensive planning and zoning program for the cities of Venice and Madison is being conducted by U. S. Rep. Melvin Price, Mayor Stephen Maestas announced at a meeting of the Madison city council Tuesday night.

The proposed study was initiated early in 1965, and the Southwestern Illinois Metropolitan Area Planning Commission filed the necessary papers with the state and with the federal Housing & Urban Development Department seeking a federal grant of \$14,800 for the project, estimated to cost \$22,350. The two cities would share the remaining costs.

Nothing has been heard from HUD since Mayor Maestas reported, causing him to enlist the aid of Cong. Price. A reply from Price said he is investigating it and will keep the council informed.

Grant Due

Mayor Maestas said approval of the grant was due after July 1. He said a comprehensive zoning plan for the two cities is becoming more important with both population and commercial expansion under way.

The two cities have agreed to have SWIMAPC conduct the study.

The mayor reported that Chain of Rocks Bridge engineers were to make a semi-annual inspection of the city-owned bridge today, and that they were asked to provide estimates on maintenance costs for next year. "Paint should cure the bulk of it," he said.

Because the bridge became toll-free and non-income producing as of Aug. 2, the mayor said, "We are having difficulties in insuring it at its former rate now, but we are maintaining public liability."

Discussions still are under way on possible uses of the bridge property, including the land around it and the structure itself.

A report showed that during September, \$423 was refunded to bridge ticketholders.

West Madison Parking

An ordinance to limit parking in West Madison to one hour was delayed until the next meeting, as it has yet to be prepared.

The action was ordered following complaints by residents there that Granite City Army Depot employees were dominating parking in the area, creating difficulties.

A call for bids was issued on purchase of two new police cars. Two old cars are to be traded in.

The council approved a motion requesting \$28 in motor fuel taxes to pay for engineering work by Sheppard, Morgan & Schwab, consulting engineers, in conducting a street maintenance survey for the year.

EOC Election Postponed for By-law Changes

David Walker, Tri-Cities Economic Opportunity director, reported today that a proposed election of local persons from socially or economically depressed areas to the Madison County Opportunity Commission, has been postponed until additional ruling are received from the Great Lakes Regional Office of Economic Opportunity, in Chicago.

Walker said the postponement results from information relayed to county commissioners Monday evening by Jerry Lacey, Southern Illinois representative from the technical office of the Illinois OEO, Springfield.

Lacey told commissioners that specific changes must be made in the county anti-poverty group's by-laws and constitution due to new requirements in the Illinois Not-for-Profit Act. He added that until a ruling can be made by the regional office on the revisions any election would be invalid.

A special election meeting to select additional commission members from various areas was to take place next Thursday in the Kirkpatrick Homes recreation hall. New members chosen for the commission were to replace those who have not attended meetings, and also to create a representative balance between delegates from welfare agencies, service groups, civic leaders, school officials and persons from areas where anti-poverty programs are most needed.

Also at Monday's meeting in the courthouse at Edwardsville, Maurice S. Harris, county EOC director, reported the anti-poverty appropriation bill, scheduled to come before the House of Representatives this week, provides a direct threat to future EOC programs in Madison county.

Harris said that earmarking certain amounts for specific projects, as proposed in the bill, would restrict the amount of federal money available for work in Madison county. He cited an \$11 million appropriation for work with narcotics addicts, which he said, "will be lost to Madison county as we do not have a narcotics problem."

Funds for beautification also would not be available to the county, Harris said, since the municipalities have not shown an interest in such a program.

Adding to the county director's comments, Walker said today that an estimated two-thirds of the federal money bill for anti-poverty projects contains allocations for specific programs, with only minor appropriations included for such local projects as neighborhood centers, day-care nurseries and other programs intended to meet local needs.

Gifted Plan Topic Oct. 26; Parent Conferences Slated

The public is being urged to attend the next meeting of the Granite City school board at 7:30 p.m. Wednesday, Oct. 26, board members said at their meeting Monday night.

Topic will be the gifted student program. It will be reviewed and discussed with the board by Mrs. Sarah Sowell, the school district's gifted program consultant.

All board meetings are public, but usually few people attend.

Another topic at the Oct. 26 meeting will be the Initial Training Alphabet, which will be used for a group of about 20 pupils at Parkway grade school as a pilot project. A \$300 cost estimate for materials needed for the ITA venture was approved by the board Monday night.

"The Initial Teaching Alphabet is gaining in usage through the English-speaking world," Supt. Russell D. Johnson commented. "The idea originated in England and is gaining increasing acceptance in the United States."

Dedicate Parkway, Cafeteria
Other public programs planned by the school board include the two newest educational facilities, Parkway school and the Granite City high school cafeteria-classrooms building. Dedication open houses are to be held, with the dates set later.

The separate events will consist of dedicatory ceremonies, each including a brief talk, followed by refreshments and tours.

The board also decided Monday night to approve parent-teacher conferences in lieu of report cards for some of the students at seven schools—Mitchell, Wilson, Parkway, Maryville, Nameoki, Niedringhaus and Frohard.

Half-hour Individual Meetings
On a staggered basis, a class of about 30 pupils will be dismissed for two days. During this time, the teacher will spend about a half-hour conferring with each of the 30 sets of parents.

Appointments will be worked out for the convenience of parents during the specified days.

The planning conferences are being scheduled where the "level" or "ungraded primary and intermediate" program is in effect. Pupils progress through various achievement levels rather than through first grade, second grade, etc.

"This type of parent-teacher conference takes much time and it will be necessary that the discussions be held during the

Leaders of Troop 19 are Mrs. Joan Oram and Mrs. Betty Walls.

Transportation for the camping trip was provided by Mrs. Raymond Lake Jr., Howard Wallace, James Black and Dean Oram.

The Women's Missionary Society of Suburban Baptist Church held a tea and installation service for new officers Sunday afternoon at the church, 2560 St. Clair avenue.

Officers were installed by Mrs. Paulette Humphreys of Second Baptist Church. Mrs. Humphreys also gave a short talk on autumn, with emphasis on "harvesting God's work."

Those installed were Mrs. Beth Ward, president; Mrs. Audrey Kitchen, vice-president; Mrs. Elaine Staton, secretary; Mrs. Norma DeVault, treasurer; Mrs. Jean Fisher, community missions chairman; Mrs. Imogene Smith, mission study chairman; Mrs. Ruth Bunker, prayer chairman; and Mrs. Sharon Purkey, program chairman.

The refreshment tea table was decorated in traditional colors of purple, gold and white. Refreshments were served. Others present were Mrs. Lorraine Fox, Mrs. Rosella Fuller, Mrs. Helen Peterson, Mrs. Rose Lux, Mrs. Carol LaVelle, Mrs. Eula Junck, Mrs. Helen Schwendemann, Mrs. Shirley Schwendemann, Mrs. Georgia Reisinger, Mrs. Ruth Williams, Mrs. Evelyn Smith, Mrs. Edna Jackson, Mrs. Barbara Thebeau, Mrs. Mae Cavanaugh and Mrs. Doris Cook.

GC ROTARY PRESENTATION of a television set to a special education class at Lake school. Mrs. Evelyn Gavin, teacher, accepts the gift from William H. Thoeke, Rotary president.

Rotarians Hear Talk On Mental Health Bill

Highlights of the Granite City Rotary Club's noon meeting Tuesday was a talk on mental health in Madison county by Thomas Fitzgerald, member of the Citizens Committee for the special referendum on mental health, and an address by Carl Mathias and Dean Jones on the importance of United Fund activities in the community.

Fitzgerald, who detailed the meaning of House Bill No. 708, to be presented to voters in the general election on Nov. 8, and urged Rotarians to tell people about the bill.

Plans were made to finish purchasing the electroencephalograph machine for St. Elizabeth Hospital with profits from the Rotary Horse Show and available funds from a contingency fund, totaling \$500.

Rotarians also made plans to deliver a portable television set purchased for use in a special education class at Lake elementary school.

An outdoor barbecue scheduled for Tuesday's meeting was postponed until next Tuesday because of inclement weather.

County TB Association Urges Use of Seals on Yule Parcels

Postmasters of the Quad-Cities are reminding postal patrons that Christmas parcels and greeting cards for members of the Armed Forces overseas should be mailed early. And—

The Madison County Tuberculosis Association suggests using Christmas Seals on overseas mail to remind members of the Armed Forces of the great tradition of the seals and the fact that on the home front, the battle continues in the fight against tuberculosis and respiratory diseases.

To assure delivery of Christmas mail in time for Christmas overseas, postal patrons are reminded of the following dates: For surface transportation, the period starts tomorrow, Oct. 21, and runs to Nov. 10.

For air mail parcels, the period is Dec. 1 to Dec. 10. The Christmas Seal Campaign starts on Nov. 15, but seals may be obtained for overseas mail by contacting Madison County Tuberculosis Association, 7 S. Wood River avenue, Wood River. Telephone 254-8025.

Program chairman for Tuesday's meeting was Christ Pashoff.

DeMolays Install Senior, Junior Officers

Reggie Teague, son of Mr. and Mrs. Thomas Teague, 2806 Grand avenue, was installed master counselor of Granite City Chapter Order of DeMolay in a public ceremony at the Masonic Temple Tuesday night.

He and other officers were installed by members of the Granite City Court of Chevaliers, consisting of: George Slattery, installing officer; Gilbert Watson, installing senior counselor; Edward Ashley, installing junior counselor; Gilbert "Jack" Kulenkamp, installing marshal; Everett Steele, installing chaplain; and Roland Kennedy, installing senior deacon.

The senior officers installed with Teague were:

Joseph LeGrand, senior counselor; Terry Waffler, junior counselor; James Fitzpatrick, chaplain; Charles Hileman, treasurer; James Naeve, scribe; Charles Ringering, senior deacon; Richard Lowe, junior deacon; Gerald Gray, senior steward; Robin Teague, junior steward.

John Berosky, sentinel; Tim Noud, standard bearer; James Ebrecht, almoner; Dwayne Pritchett, marshal; John Gage, orator; and the seven preceptors, Kendall McMillan, Wesley Loper, Joey Vaughn, David Wilkins, Danny Wilkins, David Thomas and Junior Fowler.

Junior Officers

Junior officers installed were: Kyle Tarpo, master counselor; Danny Taylor, senior counselor; Fred San Soucie, junior counselor; Daniel Ebling, chaplain; H. William Reimers, treasurer; Robert Cawley, scribe; Michael Few, senior deacon; Michael Johnson, junior deacon; Kirk Darnier, senior steward; Joseph Mercer, junior steward.

Michael Anderson, sentinel; Randy Sutton, standard bearer; Delmar Lewis, almoner; Craig Maer, marshal; John Jenkins, orator; and the seven preceptors, David Cooper, Richard Grotefend, Larry Wallace, Randy Legate, Larry Stawski, Charles Burgess and Robert Mobley.

Job's Daughters of Bethel 43 assisted in the installation. The Bethel Choir sang selections for the senior counselor, junior counselor and chaplain. Miss Janet Young accompanied and played marching music for the installation.

Miss Dianne French, Honored Queen, congratulated the new officers and introduced the senior princess, Miss June Fowler; Miss

County Women's GOP Clubs Aid Mrs. Wortman

Mrs. Vernice Wortman of Granite City, Republican candidate for county clerk, was presented with a check as a contribution to her campaign by the Madison County Federation of Republican Women's clubs at its fall meeting Monday at Sunset Hill Holiday Inn.

The featured speaker was Mrs. Mildred Frisk, whose topic was "The Opportunities and Responsibilities of an American." Mrs. Frisk is the state central committeewoman from the Nineteenth District, downstate campaign activities chairman for the Illinois Federation of Republican Women, and an employee in the finance and statistical division under Ray Page, superintendent of public instruction.

Mrs. Marlene Serini, president, and Mrs. Helen Tishie, sunshine chairman, reported on the activities of the Granite City Republican Women's Club.

The federation voted to send Mrs. Wortman and Mrs. Wilma Japel of Edwardsville its delegates to the IFRW fall conference in Chicago Nov. 17-18.

Guests at Monday's meeting were: Rep. Ralph T. Smith, Alton; John Guthrie, candidate for Congress; Walter Emde, candidate for state legislature; Mrs. Corren Young, county chairwoman; and three district chairmen: Roy Lynn, Granite City; Allan Claus, Collinsville; and Mrs. Mildred Wader of Highland. Also present was a delegation from the Mount Olive Women's Club, which is not a member of the federation.

An announcement was made of a "whistlestop" at the GM&O railroad station in Alton at 9:30 a.m. Saturday, Oct. 29 by Charles Percy, candidate for U. S. Senator, and a rally and barbecue Sunday, Oct. 30, in Godfrey. A parade will form at the Alton Republican headquarters at 3:30 p.m. and proceed to the Godfrey Civic Center where the rally will begin at 4:30 p.m. Rep. Tom Curtis will be the speaker at the latter meeting.

GSI Quarterly Earnings Up 52%

Consolidated sales of \$23,019,960 in the three-month period ending Sept. 30 were reported yesterday by General Steel Industries, Inc. Net earnings amounted to \$1,321,373, equal to 58 cents per share, according to W. Ashley Gray Jr., president.

Gray said this is an increase of 52% over earnings of the same quarter period last year. For the first nine months of 1966, GSI reported total sales of \$58,607,183 and earnings of \$1,444 per share, compared with sales of \$58,639,725 and earnings of \$1.19 per share in the first nine months of 1965.

"Our improved earnings this quarter were approximately what we had expected," Gray said. "We believe the improvement will continue for the balance of the year and that 1966 earnings will be substantially better than 1965."

Gray attributed reduced sales for the first nine months to "comparatively lower volume at the St. Louis Car Division where the seven-week strike during the summer and other delays in delivery of cars were encountered."

Man Bound Over for Burglary, 2nd Freed

Donald Lee Hutchinson, 21, of 908 Grand avenue, was bound over to the Madison county grand jury Monday on a charge of burglary at the National School of Music, 2100 Cleveland blvd., on Wednesday night of last week.

He waived preliminary hearing before Magistrate Joseph Kelleher in Edwardsville and was released on his own recognizance.

A second suspect in the case, Wayne Howland, 22, of 1865 Edwardsville road, was named in a burglary warrant filed Monday by William Brandt, assistant state's attorney, but there was insufficient evidence at his preliminary hearing and the charge was withdrawn.

Bow Line Club Elects Daugherty as Commodore

Sidney Daugherty was elected commodore of the Bow Line Boat Club at a meeting Wednesday night at the club headquarters. He was the first person to serve as commodore when the club was instituted.

Others elected were Robert

solo for the master counselor. Mrs. Geraldine Teague, mother of the master counselor and junior officer, was escorted to the altar by her son, Robin. She was presented an arm bouquet of roses by her son Reggie.

Mrs. Marie Naeve, president of the Mothers' Club was called upon and introduced her officers and asked all the members of the Mothers' Club to stand. They were given a standing ovation by the DeMolays and others in attendance.

The mothers as well as all other ladies in attendance were presented with a rose by the officers. DeMolay guests from Belleville and Edwardsville were introduced.

Public Organ Concert, Tea at Church Sunday

The public is being invited to visit St. John United Church of Christ, 2901 Nameki road, at 3 p.m. Sunday for the first major concert on its new three-manual, 28-rank organ.

Members of the church choir will serve a tea and refreshments to guests immediately following the concert.

Recitalist will be Ronald Arnatt, a concert organist, composer and conductor who was born and educated in London, England. By the age of seven he had won seven certificates of excellence as an organist.

From 1951 to 1954 he lectured in music theory and served as instructor of piano and organ at the American University, Washington, D. C.

For the past 12 years Arnatt has served as organist and choir-master of Christ Church Cathedral, St. Louis. He was appointed as conductor and music director of the Kirkwood Symphony Orchestra for the 1964-65 season.

He will play Bach's "Fantasia and Fugue in G Minor," Handel's "Concerto No. 5 in F, Op. 4," Franck's "Pastorale," Messiaen's "Les Corps Glorieux" and Whitlock's "Allegretto." "Folk Tune," "Andante Tranquillo," "Scherzo" and "Paeon."

Yount, vice-commodore; Mrs. Betty Dresdel, treasurer; Mrs. Dorothy Fawcett, secretary; and Harold Schmitz, John Sabo, Ivan Northcott and Russell Dickey, directors.

Self Defense Experts Demonstrate for JCs

Granite City Jaycees and their wives saw the art of self defense demonstrated last night by an expert team composed of local residents, Robert Whelan and Mr. and Mrs. Edgar Kayser, who were guests at the chapter's monthly dinner meeting, held at Howard Johnson restaurant, near Collinsville.

Michael Day was named "Jaycee-of-the-Month" for his efforts in connection with the annual "Bike-Road-e-o," sponsored by the club in September. A resume of the Illinois Jaycees state board meetings at Rock Island last weekend was presented by Ted Niciecki and David Walker, who displayed a trophy awarded the local group as the state's "most publicized chapter."

William Herbst discussed a current membership drive and introduced two newcomers, Arthur Moser and David Steffen. Final arrangements were made for a Halloween night dance at the YMCA, with the club voting to donate proceeds from the teenage event to the YMCA Teen Town.

Objectors on Hand to Block Big D License

Objectors were present in an attempt to block a liquor license for Julian Baxter Wallace of Granite City to operate the Big D tavern on Route 162 immediately prior to a meeting of the Madison county liquor commission today at the American Legion.

Harold Landolt, county liquor commissioner, said that Wallace had not yet appeared and that no action may be taken on his application.

The tavern was closed in August when the prior operator voluntarily surrendered her liquor license to the sheriff's office following a hearing by the liquor commission.

Sheriff Barney Fraundorf has stated that he has received numerous complaints from residents of the area concerning activities and clientele of the establishment in the past. Landolt today said that the sheriff has never filed an official complaint with the commission.

He added that an investigation has shown that Wallace a former manager of the tavern, has no record of conviction of felonies.

Close the door to excess and there's more chance of success.

20-Year Service Honor For Frank L. Pulaski

Twenty years of service with the federal government were recognized officially recently when Frank L. Pulaski, 3141 Colgate drive, was presented with service certificates and accompanying emblems, by the U. S. Army Aviation Materiel Command here. The certificate was presented by Charles Ludwig, director of supply operations.

SINCE 1903

Possibly, to many people, this simple statement won't mean much.

We, at Fleishman's however, are proud to be able to put these words over our signature. To us it means that for 63 years we have been privileged to present men's clothing to the people of the Quad-Cities in a manner that has allowed us to earn your trust.

It also means that we have met many people as the area grew and prospered. It means the making of many acquaintances and we are proud that so many of these acquaintances have become lifelong friends—which is one of the wonderful, intangible things of retailing.

The years have been good to us and we are grateful for the splendid patronage given us. Nathan Fleishman, who established the business in 1903, maintained, until the time of his death in 1965, that two things were vital to a successful business operation. One was the finest quality merchandise available — offered at a fair price. The other was a sincere, friendly manner of conducting business.

Mr. Irby Todd, an associate of Mr. Fleishman's for 45 years, until his untimely death also in 1965, echoed and practiced these policies. We still believe in their philosophies.

To celebrate our 63rd anniversary we are reducing our merchandise — which includes over 25 nationally advertised brand names — a flat 10% in every department. We can't mention these names but we feel sure that you know... Fleishman's offers only the top lines in menswear.

Stop in this weekend and say "hello." We've enjoyed it since 1903.

Warriors Plagued by Injuries; Visit Unbeaten Flyers Friday

A coach talking to East St. Louis Flyer Coach Fred Cameron, said "You can throw the respective records out the window for the annual Warrior-Flyer battle. Granite City just seems to play better against East St. Louis. The record bears out his words."

The Flyers, now 5-0 for the season after beating Alton 15-13 Monday night, will play Granite City at Parsons Field tomorrow evening.

Cameron said he remembers only too well when the Warriors knocked the Flyers out of the undefeated class two years ago in a surprise 16-7 win. Last year, the Warriors lost to East St. Louis 28-7.

"I've been drilling the team on tackling and blocking this week," Warrior Coach Jim Morrison told the Press-Record. He added that linebackers have not been reacting quickly enough, and he has been drilling them for increased response.

"I think that we reacted well against Wood River—of course, they outweighed us on the average of 20 pounds per man—and we will have the same problem with East St. Louis," Morrison said.

He said that due to injuries, Dan Partney, Terry Moore, Steve

Conway and Ron Turner may not play against the Flyers.

Partney and Moore both sustained strained backs in last Friday's game with Wood River, and Turner could not finish that game after he sprained his ankle. Conway sprained his ankle in practice Monday.

If the Warriors win over East St. Louis, it will be the first defeat for the Flyers in 18 games out, and the first win for the Warriors, who are 0-5 this season.

In the conference, East St. Louis is 2-0 and Granite City 0-3.

By Press-Record Staff Photographer
The John N. Marshall Gun Club, located one mile east of the Granite City Steel Blast Furnace plant on Route 152, will hold "sighting-in periods" on two days this week at the club range.

Bob Marshall, range officer and chief instructor for the club, said the sighting-in periods, to be held from 10 a.m. to 2 p.m. on Saturday and Sunday, are open to all interested hunters.

He added that official National Rifle Association targets will be used. A \$1 fee will be charged to cover the costs of the targets.

For more information, Marshall requests that those interested contact him at SY 7-0471.

Verdict of Suicide
A verdict of suicide was returned by a coroner's jury in the death of Charles Kennedy Sr., 65, of 2837 Grand avenue, at an inquest conducted Tuesday by Deputy Coroner Robert Thomas.

Mr. Kennedy was found shot in the head last Thursday at his home.

Trojans Harriers Last In Conference Meet
Trojan harriers with a total of 169 points finished last in a field of seven schools at the Midwestern Conference meet held at Belk Park in Roxana Tuesday.

Triad, running for the first time in the conference, won the meet with 46 points. Among the first 12 runners, three were from Triad.

Individual winner was Dupo sophomore Chuck Rice, who ran the 1.6-mile course in 10:03.

Top Trojan finishers were Bruce Davis, 23rd, Wilbert Glasper, 28th, and Nathaniel Gram, 31st. There were 49 runners in the event.

Model Plane Club To Give Air Show
A model airplane, a scale model of a F-8F Bearcat that won first place in world competition at an international model meet held in London, will be on display during a model flying exhibition to be presented by the Tri-City Steelers Model Airplane Club Sunday.

The exhibition will begin at 1 p.m. on a portion of the Nameoki Village shopping center parking area.

Club members will give demonstration flights with various model planes, and spectators will be allowed to try their hand at flying the models.

Evenly Matched Trojans, Shells In Conference Tilt Here Friday

"Madison is hot and cold; you expressed similar feelings about never can tell how they're going the Shells, "I watched them play to play. But I think we are pre-Dupo, and I think we're well to play evenly matched, and both matched," he said.

Friday's Roxana Coach Morris Sam Jones will probably be Tschannen predicted to the ready for the Roxana game, 27-7. Tschannen predicted to the ready for the Roxana game, 27-7. Tschannen predicted to the ready for the Roxana game, 27-7.

Conference gridiron gladiators to last Friday because of an injured side muscle.

Glenn Pickering, Trojan coach, Steve Geroff, who suffered a shoulder injury in practice last week and did not dress for Madison's game with Bethalto, may also be ready for tomorrow night's game, Pickering said.

Coach Tschannen noted that although Roxana beat Dupo 27-7 last Friday, the Shells played a "sloppy game" and did not coordinate their maneuvers.

"We'll have to watch out for Burt and Jones (Trojan backs). They run hard," Tschannen said. Madison will be seeking its second conference win after losing to Bethalto and Highland and beating Dupo.

Roxana also will be seeking a second conference win after losing to Bethalto and Highland and beating Dupo.

MORE ABOUT County Planning

Apply for Funds
SWIMAPC again was authorized to apply to the Farm Home Administration of the U. S. Department of Agriculture or to the Department of Housing and Federal Development to finance the work. No county funds will be involved here, Briggs explained.

In response to several questions, Theodore Mikesell, executive secretary of SWIMAPC, reiterated that plans must be completed by July 1968 or there will be no more federal funding for communities of water and sewer facilities.

He said that the East-West Gateway Planning Commission is the central planning agency for the metropolitan area involving federal grants, but that SWIMAPC is an integral part of the commission and is in charge of planning for the Illinois portion of the area.

Mikesell added that comprehensive planning is required by the government so that an individual sewer system will not overlap that of another or contaminate water or recreation systems.

Local Drivers to Vie In Auto-Cross Race

Three Granite City men will participate in an "auto-cross" race sponsored by the Granite City of America Raceway, Wentville, Mo.

All three, Larry Billejo, Jim Converse and Jim Giese, won first places in the same event last year. Billejo drove a white, Converse a Hillman in the 2000-cc. sedan class and Giese a Porsche Special in D production.

The event is open to all drivers and all types of cars. An "auto-cross" race is run on a regular raceway, but the individual competes only with the clock and all types of cars. An "auto-cross" event will be run on a 2.8-mile course containing 10 corners.

County to be Agent For Eagle Acres On Federal Grants

The Madison county board of supervisors agreed to serve as the official agency in applying for funds for improvement in the Eagle Park Acres area during a board meeting Wednesday morning.

The action came after a petition signed by residents of the unincorporated area cited the need for funds to finance studies and development of street lighting, sanitary and storm water sewers and fire protection facilities.

The petition was accompanied by a letter from Joseph Bartak, state attorney, endorsing the measure.

The county will handle applications for funds through state and federal agencies, and the county treasurer will be in charge of holding and disbursing federal funds. Any improvements will be subject to approval of the county board of supervisors, it was noted.

Representatives of the Eagle Park Improvement Association attended the meeting.

Auto Hifs

Lincoln Jones and his wife, Mrs. Beverly Johnson, 26, were injured when his auto collided with another driven by Frederick Pederson, Alton, Pa., about 7:30 a.m. Tuesday at East 22nd street and Lee avenue.

Pederson auto then skidded on a wet pavement into the front of a parked car owned by John A. Marx, 4556 Edwardsville road.

The Johnsons were taken to St. Elizabeth Hospital where he was treated for a pain in his lower back and she had sutures for scalp cuts. Pederson was charged with a right-of-way violation and was fined \$10 plus costs in magistrate court.

Boy, Chases Ball, Hurt

James Johnson, 10, of 905 Grand avenue, Madison, was injured shortly after noon Tuesday when he ran into and was struck by a car driven by Clenna M. Vaughn, 1846 Fourth street, Madison.

The boy was treated at St. Elizabeth Hospital for abrasions to his face. He was released after treatment.

The driver said she was going east on Rhodes street in front of Louis Barba school when the boy ran into the street chasing a ball. She told police she applied her brakes and the car skidded, and she did not know if the boy ran into the skidding car or if the car struck the boy.

Man Hit by Train

Roscoe Gibson, 1924 Adams street, escaped injury at 10:15 a.m. today when the right rear of his auto was hit by a Granite City Steel Co. switch engine at 21st and Delmar avenue.

Homemade "Spooks"

"Spooky" table decorations add greatly to the fun of a children's Halloween party.

Wispie ghosts and grinning jack-o-lanterns may not be prize dinner companions for most occasions, but no spooks are barred on this eerie night. Since both pumpkins and ghosts can be made of nothing more mysterious than soap, you will save money and shopping time while providing exciting novelties.

What's more, suds decorations are fun to make. The youngsters will enjoy the preparations at least as much as the party itself.

First pour several cups of packaged soap (or detergent) into a bowl with a little water. Beat with a hand or an electric mixer until the suds are stiff, and then stir in the mixture a clay-like texture. Now you are ready to start molding. Make each ghost on a cardboard base so it can be easily transported.

Begin by making a mound of suds with your hands. Then build up a flowing figure with suds road arms and a rounded head. Put in small chips of coal, black beads or licorice in the suds for eyes, and use pepper, corn, cloves, candy, or cut paper for the nose and mouth. Now make a second ghost. When your spirit couple is ready for the table, arrange straw or dried grasses as a rim.

BROWNIES ENTERTAIN HOSPITAL PATIENTS

In lieu of their regular meeting, members of Brownie Troop 788 from Frohman school entertained patients on the children's floor of St. Elizabeth Hospital Tuesday afternoon. The scouts gave a Halloween show, and the master-of-ceremonies was a "witch," Connie Corliss, who called upon each one to perform. Beth Mobley was a pumpkin, Lori Winters a horie magician, Sheila and Sherrie Harmon clowns, Donna Parker fairy princess, Jama Beckett a Hawaiian baton twirler and Alice Miller, a monster. Carol Henry, Jane Bumpers, Lucy Holt, Debbie Barnes, Debbie Griffin, Vicki Moore, Susan Hunsinger, Lisa Steele and Linda Crawford all played the part of "Casper the Ghost."

Linda Crawford presented each of the patients with a ghost puppet which the members had made during previous meetings. Assisting the leaders, Mrs. Pat Winters and Mrs. Mabel Parker, were Neil Winters, Jeff Winters and Mr. and Mrs. Al Barnes. The troop will meet again Oct. 25 in the home of Mrs. Winters, 125 Riviera drive, where the scouts will practice for an invitational ceremony to be given at the following meeting on Nov. 1.

On Sunday evening, the Granite City Duplicate Bridge club assembled at the Elks club for a weekly meeting.

First-place winners were Mrs. Ada Ziebold and Mrs. Zoe Cooper. Second and third place ended with a tie between Mr. and Mrs. Paul Densford and Mrs. Belldwell and Mrs. Muriel Dressel.

On Monday morning, the Nameoki Duplicate Bridge club held its meeting in the home of Mrs. Helen Meyer, 2832 Yale

drive, who serves as director for both clubs. Mrs. Mildred Branding and Mrs. Helen Wyman took first place honors and Mrs. Zoe Cooper and Mrs. Ada Ziebold second place. There was a tie for third between Mrs. Hilda Davis, Mrs. Jerry Seibold, Mrs. Grace Enos and Mrs. Meyer.

The next meeting of the Granite City club will be held Sunday at the Elks, and it will be a "winners' game." The Nameoki club meets again Monday in the home of Mrs. Meyer.

DIZZY DOZEN MEETS WITH MRS. CAVINS

The Dizzy Dozen club met Monday evening in the home of Mrs. Dot Cavin, 1657 Sycamore avenue, for a monthly meeting. A brief business meeting was held, and the members discussed their annual Christmas party. Tentative plans were made to hold the event in November, with final arrangements to be made later.

The remainder of the evening was spent playing Yabzee, and those winning prizes were Mrs. Anita Sprankle, first, Mrs. Deane Burcham, second, and Mrs. Rose Spang, third.

The birthday of Mrs. Pat Nicholas was observed, and she received gifts from her secret pals. Others attending were Messdames Fay Chiles, Liz Orr, Marge Foley, Page Curtis and two guests, Mrs. Marty Tello and Mrs. Donna Patterson. Mrs. Nicholas invited the club to meet in her home, 1633 Sycamore avenue, on Nov. 21.

RETURN HOME FROM STATE CONVENTION

Miss Mary Ellen Steinhauer, Miss Charlotte Atkinson and Miss Virginia Judd, members of the Epistol Eta Chapter of Epistol Sigma Alpha sorority, returned home Sunday evening. They had attended the state convention held in Champaign.

Mrs. Lucille Tritschsch, who is also a member of the club, was elected to the office of southern district coordinator. Miss Steinhauer, president, has announced that the next social meeting will be held Oct. 26 with a dinner on the Showboat in St. Louis, and the next business meeting is planned for Nov. 9.

The club discussed sending packages to overseas servicemen as the welfare project for this year.

Superintendent Reports—

Creosote Damaging Conveyor Belts at Treatment Plant

Damage to rubber conveyor belts at Granite City's sewage treatment plant, caused by creosote, was reported to council members Monday night by Alderman Moerlein, chairman of the Treatment Plant committee.

Moerlein said the creosote has been traced to the Jenkins Wright Co., and the company has been told to stop putting the material in the sewer. "Legal action should be taken if it is not halted, and the city also can file a report with the State Sanitary Water Board," Moerlein said.

Replacement of 125 feet of conveyor belting of a synthetic material would cost the city about \$300. Moerlein said he planned to ask Jennings-Wright to reimburse the city.

Water consumption also is running high at the plant, he added, recommending the city might sink a well for its water supply. He said the committee plans to

confer with project engineer Edw. Juneau because of the high water consumption of 43,000 gallons a month.

Moerlein related further from the report by John Hildebrand, treatment plant superintendent, that heat is needed in the buildings because the ferric chloride needs a temperature higher than 40 degrees to prevent freezing.

The city had planned to heat the buildings with natural gas and has \$15,000 on deposit with Illinois Power Co. for installation of a line. Exact location of the line now has been cleared with Army officials, and if the Army Depot changes fuel to gas, the deposit will be refunded.

In the interim, space heaters with bottled gas, are being considered. Moerlein also related a floor drainage problem in one building, and the need for a portable steam generator to thoroughly clean floors of sludge. "Cold water doesn't do the job," he related.

Hildebrand is requesting a welding machine for maintenance, and a vehicle for workers to go to the city pumping station—both at the depot. Workers now are using their own autos to haul tools.

The superintendent's report shows 1488 tons of sludge cake were hauled to the city's landfill dump during 20 days operation in September. The tonnage included 13,720 pounds of grit removed through grit chamber equipment.

Chemicals used for sewage treatment cost \$140 for 400 gallons of ferric chloride and \$756 for 47 tons of dehydrated lime.

The financial report for September shows the fee collection to total \$18,885 and a miscellaneous expense of \$2.70.

Among other guests were John Dick, commander of the Alton chapter, past DAV Commander Andrew Gitchell and Mrs. Gitchell, Mrs. Bertha Kichler, auxiliary commander, Mrs. Dorothy Best, chaplain, Mr. and Mrs. Thomas Best and daughters, off. \$1500 Pay Increase Voted for 3 County Officials at Meet

Salary increases of \$1500 a year for three county officials to be elected Nov. 8 were approved by the Madison county board of supervisors Wednesday morning following a heated debate for both lower and greater amounts.

Compensation for the county sheriff, treasurer and clerk was to be increased from \$13,000 per year, the same as that being received by hold-over county officials.

The amount, finally approved, by a 34 to 11 vote, was that recommended by the finance committee headed by Leslie Prohm of Wood River township.

Roger Ehl of Wood River objected, stating that the \$1500 pay hike represented a 23% increase and calling it "a monkey attack on the taxpayers' pockets."

State statutes set salaries of \$12,000 to \$13,000 for officers of counties of this size and Ehl preferred the \$12,000 minimum.

Argues for Increase
Carl Buehler of Granite City township argued that he was surprised that the committee did not ask for the full amount, as is being received by officials of counties of similar size, including St. Clair county where the \$15,000 salary is paid.

In offering an amendment to raise the salaries to \$15,000, he claimed that the work load here is much greater than elsewhere because of the rapid growth of population and development, adding that it was needed to entice candidates of good quality in the future.

Buehler also cited the pay increase board members have allowed themselves, from \$15 to \$20 per diem or a 33 1/3% increase, and child Ehl on his promise to return per diem payments to the county.

Ehl, in reply, said he would return his salary to the county when it starts spending money efficiently. "In the meantime, I am returning it to my township," Buehler later claimed.

Ehl has been using his office to serve without salary as a public relations "gimmick" to keep his name before the public in the press. Both Ehl and Buehler are freshman members of the board.

Roy Halbe of Hamel pointed out that the salaries of the three officials could not be increased again for the next four years under the law, and Robert Miller of Alton noted current inflationary trends and increases of income in industry. However, Miller recommended the \$13,500 amount.

Buehler's amendment, which was seconded by Harry Briggs, Nameoki township supervisor, failed on a 32-to-12 vote.

Mrs. Christianell, a former local resident, has been living in California for several years and just recently returned here to make her home.

Luncheon was served at noon to Mrs. Irene Miles and Mrs. Maudie Tatum of Granite City, Mrs. Lettie Kelly of Venice and Mrs. Florence Doebelin of Glen Carbon.

BRIDAL SHOWER FOR MRS. WITTER

A bridal shower honoring Mrs. Beverly Witter was given Tuesday evening in the home of Mrs. Nell Talley, 3243 Edgewood drive, by Glik employees.

As part of the evening's entertainment, movies were shown of the Talley's Florida vacation taken this past summer, and of the wedding of Karen Lybarger, a granddaughter of one of the guests, Mrs. Gussie Hessman. Movies also were shown of Glik employees in 1957-58 at the vacation cabin of the Talleys.

Others attending were Mesdames Bertha Witter, Jerri Menendez, Sandy Domitrovich, Nettie Spahr, Doris Wilson, Van Stuart, Kalwa, Juanita Rosenburg, Dorothy Fasick, Eva Shepard, Virginia Carroll, Geneva Duncan, Nancy Dunlap, Celeste Lowe, Millie Sherman, Johanna Colette, Luella Bevil and Frieda Yates and Miss Marlene Schiller.

The newweds are residing in East St. Louis.

18 Defendants in Area Crimes Show For Arraignments

Eighteen defendants involved in Quad-City area crimes were among 37 to be arraigned Tuesday in Madison county circuit court before Circuit Judge James O. Monroe Jr. Most of the cases are expected to appear on a criminal setting of the court starting Oct. 31.

Those arraigned and their charges were Ernest Verva, 22, of 912 Iowa street, Madison, charged with the rape of a 12-year-old Madison girl on June 17; Charles T. Howland, 23, of 1914 Edwardsville road, aggravated battery in the stabbing of Clifford Hamilton, 24, of 3818 Denver street, Sept. 20, at 2100 W. 24th street, Madison.

Refreshments were served to Leland Amble, Oliver Gilmore, George Birdsong and Mrs. Ollie Wilson.

Two-Way Radios to be Installed in Buses

Two-way radios for 100 buses operated by the Bi-State Transit System are to be delivered next week and will be in use by Nov. 1, the Transit System announced yesterday. The system will cost about \$150,000.

Officials said the radios will help help bus drivers out of traffic jams and allow drivers to get police help in emergencies. Officials also announced that security guards in street clothes will begin riding some buses at night next week to help members of the police decoy squad in protecting bus drivers and passengers.

Architectural Art to Be Displayed at SIU

An exhibition of architectural art works of Louis H. Sullivan and two illustrated lectures concerning Sullivan will be held at the Southern Illinois University-Southwestern Campus tomorrow under joint sponsorship of the SIU-SW Fine Arts Division and the Southern Illinois Chapter of the American Institute of Architects.

Sullivan often is referred to as "the prophet of modern architecture." He lived from 1856 to 1924 and practiced for 14 years with Dankmar Adler. The work of the firm of Adler and Sullivan, along with John Wellborn Root and Frank Lloyd Wright in the late 19th and early 20th centuries, formed the basis of a new philosophy upon which contemporary architecture is founded.

Suggested control regulations of the Interstate Air Pollution Study are superimposed on air quality goals of 'doubtful validity,' and appear to have an 'unrealistic crusading flavor,' the East-West Gateway Coordinating Council was told yesterday in a public hearing at Clayton, Mo.

The speaker was Dr. W. L. Faith, consulting chemical engineer, retained by the Industrial Waste Control Council to support its claim that many of the proposed regulations and air quality goals of the Interstate Study are unfair, far too strict and impossible of attainment in some instances.

Testifying in behalf of the Industrial Waste Control Council, Dr. Faith told the committee, "the ivory tower approach to calculating the amount of (air pollution) control needed, superimposed on air quality goals of doubtful validity, results in control requirements in which one can have no confidence."

Dr. Faith discussed at length the technical air standards suggested in the Interstate Study on the basis of an emission inventory compiled as a section of Phase II of the study. Pointing out that the study committee established amounts of emission reductions necessary to bring each pollutant category down to its specific air quality goal, Dr. Faith commented:

Approach is Logical
Theoretically, the approach is logical. Of course, if the air quality goals are unnecessarily strict, the calculated degree of control will be unnecessarily strict, possibly unattainable, and probably economically uneconomical.

"If the method of calculation is sound, one could change the air quality goals to more realistic ones and use the same method to arrive at new values for required degrees of control. The trouble is, though, that what looks so good in the theory breaks down completely because of past basic data and an unsound assumption."

He described the data of the emission inventory as "just a bunch of guesses, often bad guesses," and said that it has been his experience that "the 'ivory tower' approach to calculating the amount of (air pollution) control needed, superimposed on air quality goals of doubtful validity, results in control requirements in which one can have no confidence."

Dr. Faith recommended upon conclusion of his report that the Industrial Waste Control Council form a technical study group to review each suggested regulation to see if it is technically sound and economically feasible. He also suggested that the committee, and to suggest alternate regulations.

The hearing yesterday was the third and final one of a series held by the East-West Gateway Council in its preparation of a report recommended an overall control ordinance for the entire Missouri metropolitan area.

GC School Office To Use Basement For Some Supplies

Utilization of part of the basement of the Labor Temple by the Granite City school district was authorized by the school board Monday night.

The school administrative offices lease the ground floor of the building at 2014 State street, with union offices and meeting rooms on the second and third floors.

The Labor Temple offered to make part of the basement available to the schools at no additional charge.

Storage space in a rear room of the office suite is becoming crowded, and it is planned to construct shelves in the basement to handle some of the materials now kept on the ground floor, Supt. D. Johnson told.

Records and certain other non-current supplies are to be moved, with care taken to avoid any moisture damage, it was explained.

Under an alternate proposal, the schools could have rented part of the former Granite City bowling lanes area from Attorney Morris Chapman, who occupies offices in the front part of the former bowling building in the 2000 block of State street.

Use Board Room as Office
More school office space also is needed, Supt. Johnson said. He added that the board meeting room may be converted into a joint board room and superintendent's office.

The present office used by Supt. Johnson then would be used by an assistant superintendent who is to be hired as Johnson's eventual successor when he retires.

Brick for Junior High
In other business Monday night, the school board selected a brick for use in construction of a new junior high school, where preliminary work currently is progressing.

The brick will cost \$62 per thousand or about \$15,500 for the estimated 250,000 bricks to be used. Five other types of brick, more cheaper and some costlier, also were considered. Specifications had listed \$58 per thousand, or \$14,500 for 250,000.

The bid was for the entire school, with the low bid, for extended coverage from this week through Jan. 1, 1968.

Country Grown Named For State Celebration
Forty-six Madison county residents, including two from Granite City, were appointed to serve on the Illinois Sesquicentennial committee for Madison county events in 1968. They were named yesterday by Harold Landolt, chairman of the county board of supervisors, at a board meeting in Edwardsville.

Named from Granite City
were C. E. Townsend, editor and publisher of the Press-Record, and William Hoelscher, executive director of the Manufacturers Association of the Tri-Cities.

District PTA to Elect Director on Oct. 26

District 29, Illinois Congress of Parents and Teachers, will hold its 31st annual conference Wednesday, Oct. 26, at Webster junior high school, 108 Church street, Collinsville.

Approximately 200 PTA representatives from Madison, Jersey and Calhoun counties, who are expected to attend afternoon and evening sessions, also will elect new district officers.

Mrs. Frank Hanfelder of Granite City currently serves as the PTA executive for 32-PTA member units in the three-county area, which comprises more than 11,000 individual members. Polls for the election will be open from 8:15 to 10:15 p.m., with the second session scheduled to start at 7:30 p.m.

The principal speaker at the evening session will be Dr. Lowell Johnson, ICPT Citizenship and International Relations chairman, who will discuss the subject, "Responsible Citizenship."

An interrogatory panel discussion will follow, led by East Alton superintendent, Mrs. Betty Bickel, administrative assistant, Collinsville schools; and Jerome Podens, East Alton superintendent of schools.

Members of the Collinsville board of education and their wives will comprise the hospital-ity committee, while Mrs. Betty Bickel will serve as general arrangements chairman.

Other conference officials include Mrs. Robert Harris, decorations; Mrs. Raymond Tadlock, refreshments; Mrs. Robert Harris, exhibit and publications; Mrs. Joseph Smith, reservations; Mrs. Jack Mueller, publicity; and Mrs. John Albertina, registration.

Red Cross Advice

Early Mailing of Overseas Yule Packages Being Urged

To assist relatives and friends of Quad-City military personnel who are preparing Christmas packages for servicemen in Vietnam, Mrs. Ruby Overbeck, executive director of the Tri-City Red Cross Chapter, suggests that early mailing of overseas Yule packages be encouraged.

The list contains articles frequently requested by military personnel through Red Cross branches in the Vietnam area. Mrs. Overbeck said. Many of the items are being included in "Santa Claus Dirty Bags," a Christmas project of the national and local Red Cross organization, now under way in cooperation with several volunteer groups and individuals.

Suggested items include: ballpoint pens, plastic soap dish, toothbrush, washcloth, foot powder, pocket combs, individual packages of tissues and paper napkins, (adventure, mystery, western, science fiction, crossword puzzles, etc.).

Small packages of writing paper, small address books, plastic cigarette case, lighter (unfilled), nail clippers, small puzzle or solitaire game, miniature sewing kit, metal mirror, small plastic bags (moisture protection for personal possessions) and harmonicas.

Items to be Avoided
Mrs. Overbeck stressed that those preparing parcels should avoid sending liquids, combustibles or items that would melt or deteriorate in heat.

Parcels destined for Vietnam and other overseas areas being shipped at regular postal rates should be mailed prior to Thursday, Nov. 10, to guarantee delivery before Christmas. Post office authorities remind local residents.

The period for sending overseas surface mail to members of the Armed Forces, including letters, cards and packages, starts tomorrow and continues through the Nov. 10 deadline.

Although parcels and other mail destined for Vietnam, shipped via surface mail rates, will be airlifted by military planes from west coast receiving areas, postal officials report the holiday service will be on a space-available basis.

Any effort will be made by U. S. and military postal officials to make deliveries prior to the holidays, authorities say. However, they add, early mailing is vitally important this year due to the extensive amount of mail expected for troops in Vietnam.

Surface mail deadlines also pertain to other overseas areas to ensure pre-Christmas delivery. Packages, letters and cards being sent at air mail rates may be mailed up to Dec. 10 postal officials report.

"ACE SEES THE FACTS" — QUANTITY AT LOWER PRICES

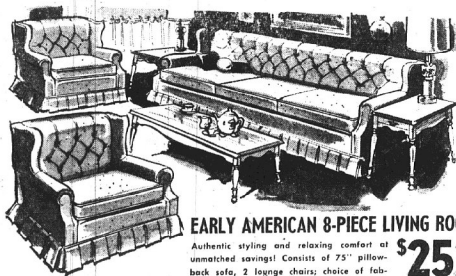

They Have Furniture on Their Mind---And They Know That There is No Better Place than FREDMAN BROS.! No Better Time than Now! During Fabulous 52nd Founder's Days Sale!

52 years ago three young brothers, Dave, Harry and Neil Fredman founded a small furniture store in Collinsville, Ill. They had in mind a family business that would grow just as their families grew, through the years. For this reason they established the following business policy and ideals which they have maintained throughout the years:

"To Build a Store That Will Be a Credit To The Community Which It Serves, To Foster a Fine Relationship Between The Store, Customer, Co-workers and Suppliers, To Maintain And Always Sell Merchandise at The Lowest Possible Price. To Understate Rather Than

Exaggerate In Advertising and Selling. To Consider No Transaction Closed Until The Article Purchased Has Rendered Satisfaction. To Measure Success Only By The Service Which It Is Able to Render Its Customers."

These were the policies originally set forth by the 3 founders. These are still the ideals adhered to by themselves, their children who are now part of the business and by all their employees no matter what position they hold. We feel that these are the policies and ideals that have enabled Fredman Bros. to become the largest furniture chain in Illinois.

SOCIETY

MARRIED RECENTLY. Mr. and Mrs. Jerome L. Kirkpatrick. Prior to their wedding at First Assembly of God Church, the bride was Marsha Vickers, a daughter of Mr. and Mrs. William Vickers, 2266 Washington avenue.

'Federation Day' to be Held Friday at State Hospital

Tomorrow has been proclaimed "Federation Day" by the Alton State Hospital, and the Twenty-second District, Illinois Federation of Women's Clubs.

The "day" at the hospital is to be attended, not only by club members of the district but by all federated club women within travel distance. Registration will be at 9:30 in the hospital Recreation Center where exhibits will be displayed and sponsored by the various units associated with the hospital complex. Rev. Warren Wyrick, the Protestant chaplain, will give the invocation.

The welcome will be by Dr. Abraham Simon, hospital superintendent, and there will be a visit to the Youth Center where David Cronin, Youth Center Coordinator, will explain the Center's origin, its program and goals, and introduce the staff.

Mrs. Constance Winslow, activities therapies coordinator, will explain the roll of the volunteer in the Youth Center program and the group will be shown the importance of music in working with the mentally ill. Music will be furnished by the hospital glee club conducted by Mrs. Bess Westbrook, music therapist.

The major message will be given by Dr. Paul Douglas, a board member of the National Recreation and Park Association, District of Columbia Bar, educator, author and lecturer currently on the faculty of Rollins College, Winter Park, Fla.

What topic will be "Comprehensive Community Mental Health—What It Means to the Volunteer." There will also be discussion groups and the benediction will be by Rev. Louis Sondgeroth, Catholic chaplain at the hospital. Those who wish may also remain and tour the facilities after the adjournment at 2:30 p.m.

Shower Honors Mrs. Harris

Mrs. Lorraine Harris, 2012 Madison avenue, was guest of honor Tuesday at a luncheon and shower given by Mrs. Betty King, assisted by Mrs. Barbara Osborn and Mrs. Kathryn Flaxbeard at the Harris home.

Favors were candy filled storks, and the afternoon was spent at games with prizes going to Mrs. Linda Gibbs, Mrs. Emma Davis, Mrs. Mickey Cline, Mrs. Emma Caldwell, Mrs. Frieda Flaxbeard, Mrs. Ruth Roethemeyer, Mrs. Vi Wallace, Mrs. Dee Roethemeyer and Mrs. Lilye Spotts.

Others attending were Mrs. Gertrude Flaxbeard, Mrs. Erna Meyer, Mrs. Ruby Barker, Mrs. Betty Rae, Mrs. Wilma Fisher, Mrs. Jean Fisher, Mrs. Ella Flaxbeard, Mrs. Blanche Davis and Mrs. Minnie King.

Blindness Topic Of Frohardt PTA

Robert Leightner, executive director of the St. Louis Society for the Prevention of Blindness, spoke at the Frohardt PTA monthly meeting Tuesday evening.

He showed movies on the subject and gave a talk followed by a question period.

Mrs. Maxine Ellington, president, conducted the business meeting, which was opened by Boy Scout Troop 22 giving a flag ceremony and Mrs. Ruth Seymour offering the PTA prayer.

Mrs. Arlene Milton submitted a report. Final plans for a Fun Festival Oct. 28 were presented by Mrs. Wilma Tongay, ways and means chairman.

Miss Jane Elkins' room was awarded a banner for the largest number of parents present.

Thomas Fitzgerald spoke on the mental health tax on the November ballot, and Mrs. Mary Jesse explained the PTA stand on the Revenue Article, also on the ballot.

Refreshments were served by fifth grade room mothers.

B&PW Legislation Dinner: Tea is Planned Saturday

Continuing the observance of National Business and Professional Women's Week, the local club held a legislation dinner last night at the Rose Bowl.

Among the guest speakers was Mrs. Jean Hurley Simon, wife of State Sen. Paul Simon. She is a former state legislator. The talk was on the ballots and issues to be presented to the voters Nov. 8.

Richard Lanham of Almad Temple in East St. Louis, chairman of the Shriner's Hospital for Crippled Children in St. Louis discussed the hospital and showed slides.

Another speaker, Mayor Donald Partney, lauded the local B&PW club for its civic participation through the years and its willingness to assist others.

Mrs. Opal Duval, chairman of legislation, was in charge of the program. Mrs. Nina Bigley, club president, presided. The club will visit the Goldenrod Showboat Friday at 8 p.m.

The Community Service committee has announced a tea to be held at 1:30 p.m. Saturday at the Rose Bowl honoring Women of the press and radio. They were announced as follows:

Miss Willie Faye of the Granite

City Press-Record; Miss Ann Burton of Station Wgmu; Miss Jean Clark, St. Louis Globe-Democrat; Miss Sally Delfy, St. Louis Post-Dispatch; and Miss Charlotte Edmonds, Metro East Journal.

The week will be concluded Sunday when the club members are invited to a breakfast and tour of Our Lady of the Snows with the East St. Louis club at 8 a.m.

Guests at last night's Dinner were Eugene Alessi, Charles Batson, Parker W. Bigley, William Ebel, Lucy England, Dorothy Pink, national membership chairman and a past state president, Shirley Gitch, Dee Klesh, Dr. Felicia M. Koch, Lillian B. Marzall, Agnes Raub, Gilbert Rosch, Dr. Leo Roman, Charles Thurber and Kelly Walls.

A number of the members of Granite City Chapter, Women of the Moose, were in Altan Tuesday evening to attend Star Recorder Chapter night at the lodge there.

In the party were Mildred Votrupa, senior regent; Gladys Markovich, graduate regent; Lee Percy, recorder; Edith Rodgers, chaplain; Ella McKelrick, Marian Lipscomb, Virginia Severs, Virginia Knipping, Edna Bardsley and Pearl Giffin.

MRS. ANN MARGULEN IS CLUB HOSTESS

Mrs. Ann Margulen, 2830 Washington avenue, entertained the Handicap Club last night.

The birthday of Mrs. Kate Fedora was celebrated at the party and birthday gifts were presented. Refreshments were served, and prizes were won by Mrs. Frances Vivod and Mrs. Irene Kadane. Others attending were Mrs. Ann Mega, Mrs. Gladys Skubish, Mrs. Mary Bridick, Mrs. Sue Perdicaris, Mrs. Vivian Davis and Mrs. Alex Severine.

The next meeting will be with Mrs. Mega, 2646 Lincoln avenue, Nov. 16.

Lake PTA Talk On Handicapped

Lake school PTA held its October meeting Monday evening at the school, and Mrs. Dolores Riddle, PTA president, presided. Mrs. Evelyn Gavin, a Lake school teacher, spoke and showed a film on rehabilitation of the handicapped.

She told how the handicapped can be trained to become self-supporting citizens. Mrs. Gavin was introduced by Richard Barnett, Lake school principal.

Mrs. Jean Welhing spoke on the mental health tax proposal that will be voted on by the public in the Nov. 8 election.

Mrs. Elizabeth Stevens, recording secretary of the Granite City Area PTA Council and a Lake school PTA member, gave a report on the last area PTA meeting.

It was announced that a "get acquainted" tea will be given by the PTA executive board for new Lake school parents.

A Lake school open house will be held Nov. 9. Mrs. Gavin's class won the PTA attendance banner for October.

Refreshments were served following the meeting by the executive board.

WELCOME HOME PARTY FOR MRS. E. J. WADE

A welcome home party for Mrs. E. J. Wade was given last night at First United Presbyterian Church by fellow members of the local women's Committee.

Mrs. Wade and her husband returned recently from Seoul, Korea, where they visited their son James Wade, and his family. While in Korea they met Joe Cho June, a war orphan the class has assisted throughout his school and college days. She described her trip and entertained the members with an account of her experiences on the tour.

Mrs. Olive Moore, class president, welcomed the 17 members and 12 guests attending. Mrs. D. J. Maxton had the opening prayer and refreshments were served.

Plan Marshall
Spook Carnival

Final plans for a "spook carnival" Friday evening, Oct. 28, were made by the Marshall PTA Tuesday evening.

Mrs. Kathleen Tadlock, president, opened the monthly meeting and reports were given by Mrs. Mary Jo Hein, Shirley Claxton, Linda Giger, Gerry Mendez, Kathy Dehnal, Sue Sanasarian, Dolores Milton, Norma Ahearn, Donna Theis, Millie Clements and Shirley Long.

Copies of the yearbook were distributed and Mrs. Tadlock displayed school record books which will be sold for \$1 as a fund-raising project.

Mrs. Vivian Davis asked the PTA to assist new Brownie troops.

Theme was "Happiness Is a Good Country Founded on Good Citizenship." Mrs. Alberta Bert, vice-president, introduced the guest speakers.

Thomas Fitzgerald spoke on the tax for mental health which will be voted on Nov. 8 and Mrs. Mary Jesse, legislation officer of PTA District 28, who spoke on the proposed Revenue Article.

An award went to Mrs. June Von Gruenigen's sixth grade room for the largest number of parents present.

Refreshments were served to 75 by the fifth and sixth grade room mothers.

Mrs. Tadlock announced that in observance of American Education Week, open house at Marshall school will be held Nov. 10 from 7 p.m. to 8 p.m.

Sorority Meeting
At Playbox Club

Omega sorority held a party for new freshmen at the Playbox Club in St. Louis last night. Forty-six were present, including eight guests and three pledges.

Guests were Mrs. Mary Paschoff, Mrs. Ruby Corzine, Mrs. Betty Krug, Mrs. Hilda Mitten, Mrs. Lois Cruise, Mrs. Florence Margerson, Mrs. Lancaster and Mrs. Mae Belle Borum, with the prize for the evening going to the latter.

On the hostess committee were Mrs. Wilma Long, Mrs. Judy Adams, Mrs. Janet Goewert, Mrs. Margaret Vackel and Mrs. Dorothy Costello.

GC Steel Women
Group Meets

The Women's Association of the Granite City Steel Co. met Tuesday evening in the plant cafeteria with an autumn theme in the arrangements.

Mrs. Ruth Thornberry, president, conducted the meeting, and reports were given by Mrs. Betty Schlemmer, Mrs. Wilma Tongay, Mrs. Helen Bischoff and Mrs. Nellie Dierker. The latter presented several ideas to be talked for the Christmas project.

The program consisted of a talk by Mrs. Susan Harris of a St. Louis television station.

Hostesses were Pat Malotki, Louise Lakin, Florence Schall and Florence Riddle. The prize for the evening, a floral centerpiece, went to Edith Heardick.

4-H Club Holds
Fall Meeting

Doris Ferro, Rural Route One, was elected 4-H Club president Monday night in the club's first meeting of the fall season. The club met in the Ferro home.

Terry Ashburn was elected vice-president. Pat Schlemmer, secretary; Sally Whitsell, recording secretary; Gayle Carpenter, treasurer, and Ann A. Schlemmer and Beverly Clark, recreation chairmen.

Beverly Clark and Joan Metz held the second Monday of each month with the November meeting to be held at the home of Joan Metz. A leaders' training session is to be held all day Wednesday in the home of Mrs. Dorothy Arnold.

MRS. IDA SCHERMER
ENTERTAINS CLUB

Mrs. Ida Schermer entertained New Hope Chapter, Order of Eastern Star, at a meeting Tuesday evening at the Grand Cafe attended by 16 members.

Dinner was served and a business discussion followed. Mrs. Bess Weiss, president, was in charge.

The remainder of the evening

Treasure Island Banquet Held

Beta Phi Chapter of Epsilon Sigma Alpha held a "Treasure Island" banquet at the Golden Fried Chicken Loaf in St. Louis last night.

Announcement was made at the banquet of the awarding of first place in the scrapbook contest to the local group for the month of October.

Mrs. Joyce Albers, who represented her chapter at the meeting, was appointed scrapbook coordinator for the 1967 convention to be held in Lincoln. The scrapbook was compiled by Donna Theis and Linda Giger.

A state board meeting will be held on the SIU-SW Campus in March with Epsilon Eta and Beta chapters as co-hostesses.

Mrs. Mary Jo Hein was presented with a silver baby cup on the birth of her daughter, a tradition with the chapter, and a pin ceremony was conducted by Sandy Cavar, vice-president, and Judy Dyet for Norma Ahearn, secretary.

Presented to Betty Dick, Ann Holson, Carolyn Smith, Sandy Cavar, Judy Dyet, Alyce Sigley, Mary Jo Hein, Shirley Claxton, Linda Giger, Gerry Mendez, Kathy Dehnal, Sue Sanasarian, Dolores Milton, Norma Ahearn, Donna Theis, Millie Clements and Shirley Long.

Prather PTA
Installs Officers

Officers for the coming season were installed Tuesday evening at a meeting of the Prather school PTA.

The installation was conducted by the school principal, Walter Jensen, and those inducted were Ralph Monken, president; Mrs. Lloyd Werth, vice-president; Mrs. Monken, secretary; Mrs. Daniel Garcia, treasurer; and Mrs. Richard Carper, hospitality chairman.

The members of the faculty present were introduced and announcement was made of the completion of telephone books for the students to go on sale next week.

A general discussion of the coming election was held and all were urged to vote. Mrs. John Prather of the Madison County Mental Health Association spoke on behalf of the mental health ballot, and a question and answer period followed.

Refreshments were served by the executive committee.

Halloween Theme
For Past Queens

Mrs. Sarah Hogan was hostess to the Past Queens club of the Prather school Monday evening in her home, 3209 Wilshire drive, for a monthly meeting.

Mrs. Sally Herbst, president, conducted a brief business session. Plans were discussed for the annual Christmas party to be held at Lombardo's in St. Louis.

The remainder of the evening was spent playing games, and prizes were awarded to Mrs. Rose Segedy, first; Mrs. Wilma Pulaski, second; Mrs. Pansy Love, third, and a guest, Mrs. Nancy Girard, flower prize.

The hostess used a Halloween theme in her table decorating. The tablecloth and napkins were inscribed with the theme in orange and black. She served sandwiches and coffee at the close of the evening to those named and Mrs. Betty Klaus.

Nameaki Studies
Special Classes

Special Services in our District was the topic at a Monday meeting of the Nameaki PTA Tuesday evening, with four guest speakers.

Mrs. Jane Webb's topic was "Speech"; Mrs. Mary Lou Hudson, "Remedial Readers"; Harold Thomas, "Homebound"; and Mrs. Mary Kessner, "Trainable and EMH."

Business was conducted by Gene Monahan, president. A 1966-67 budget was presented and approved.

The members voted to form a committee to investigate a new purchase of a microphone for use at the school and PTA meetings.

The president announced field trip for the grade level will be arranged, and a small school picnic is to be held in the spring. Membership has reached 596.

The room mother chairman announced Girl Scout Troop 10 will meet at 7:30 p.m. Oct. 24 to make future plans for the troop.

On Oct. 25, a meeting of room mothers has been scheduled for 1 p.m. in the school cafeteria.

The attendance banner was won by Mrs. Doris Grevels sixth grade room. Refreshments were served by sixth grade room mothers.

Open house at the school will be held Nov. 15 in conjunction with American Education Week.

was spent at games, and prizes were awarded to Mrs. Mary Taylor, Mrs. Weiss, Miss Friede, Michaels and Mrs. Roberta Lester.

Roof Waterproofing Cost \$200, 2 Rifles

The Better Business Bureau and Granite City police are investigating a report by Thomas Boyd, 2801 Circle drive, that a plastic spray waterproofing job for the roof of his home cost him \$200 and two automatic rifles instead of the original estimate of \$20. The plastic material appeared to be road oil, he said.

Boyd said he obtained free road oil from the bank and Missouri license plates did the sales promotion and work. Boyd was tall and about 30 years old. The other was small and young.

He told police the men refused a check, and he went to the bank to get the cash. They did not give him a receipt, but said they would return with the 11-year guarantee paper.

350 Get Rose Clips In Park Give-Away

Yesterday could be recorded as Granite City park district's "Women's Day," according to Harold Brown, park superintendent, who reported that more than 350 women took advantage of the annual rose clipper and flower give-away project in Wilson Park. Adding to the all-day distribution of free cuttings, Brown said that last night 84 women registered for the park district-sponsored "Slimeite" exercise and recreation program, simultaneously with 36 women attending the first session in the annual series of Christmas handicraft classes. Both programs started last night at the community center, 822 Nidringhaus avenue.

To accommodate the large number of Slimeite registrants, Brown said that two classes will be conducted each Wednesday from 8 to 9 p.m. and from 9 to 10 p.m. It also was decided to lengthen the handicraft instruction sessions to a two-hour period from 7 to 9 p.m.
Youngsters who reside in the park district may obtain free toothbrush from the park ponds at 8 a.m. Saturday, Oct. 29, the park official reported. Those desiring the fish should bring their own containers, he explained.

End of Lawsuits Noted by Board

The end of the Coolidge junior high school campus ownership case in the U. S. Supreme Court after six years of litigation was noted with pleasure Monday night by Granite City school board members, who also discussed the conclusion of a suit filed by a former local teacher Harry Wade.

With the school district sustained in its right not to place an instructor on tenure, the board decided to take no further action in the matter.

The Mount Vernon Appellate Court has authorized the district to collect from the plaintiff the tenure case court costs, estimated at \$200 to \$400, but this will not be done.
The board heard:
Dale C. Huffer, Edwardsville, SIU bachelor degree and three years of experience, to be a high school drafting teacher.
Mrs. Ida Mae Weiss, 2384 Lynch avenue, bachelor degree and one year of teaching, to be a teacher at the Edinburg plant at Nidringhaus school.
Miss Sandra G. Johnson, 2501 Lynch avenue, 1966 Eastern Illinois U. bachelor degree, to be a Prather junior high mathematics teacher effective Nov. 28.
Miss Donna Fay Willard, 29 Oaklawn drive, to be a GCHS secretary effective Oct. 31.
An John Janek, 2811 East 25th street, to be a custodian.
Resignation of Miss Harriet Byrd, 2725 Harvey place, as a Maryville first grade teacher effective Jan. 20, 1967, was accepted. She is to be married and reside in another state.
B. J. Davis, Frank L. Kraus and Lawrence McCauley were authorized to attend a Feb. 24-March 1 meeting of the National Association of Secondary School Principals at Dallas, Tex.
Approval was given to YMCA swimming instruction for Central school handicapped pupils.
Washington University will provide machine grading of certain student tests at a rate of 30 cents, including test forms that can be used in subsequent years.

Lawrence Kasting, Former Resident, Dies in Utah
Lawrence Kasting, about 70, of Roy, Utah, a native and former resident of Granite City, died Wednesday night at a Salt Lake City hospital following a brief illness.
He moved from here in 1934. He is survived by his wife and family at Roy and a sister-in-law, Mrs. Mary Quilligan, of Granite City.

More About Union Starch

Both companies. It will give Union Starch greater growth potential by adding Miles' research and technological capabilities to our own.
"This combination of technical resources with Union's production facilities and experience will place our company in a stronger competitive position. This will, of course, benefit both Union Starch employees and the communities in which our plants are located."

Read said that all of Union Starch's operations are to remain intact at its Columbus headquarters and plants at Granite City and Edinburg, Ind.

The company's sales in 1965 were approximately \$26 million and are expected to be in the same range this year. At the Granite City plant the company grinds and converts corn into many products including corn syrup and sugars, starches, carmel color, corn oil, gluten meal and feed, and other corn by-products. At the Edinburg plant it also manufactures cyclamates (artificial sweeteners). Union Starch also has manufacturing interests in Mexico, Colombia, Peru and the Philippine Islands.

Miles Chemicals Divisions is a leading supplier of citric acid and organic chemicals. The Miles Consumer Division includes such brand names as Alka Seltzer, One-A-Day Vitamins and Bactine. In the professional field, the Ames Company Division manufactures simplified diagnostic tests, electronic instruments and laboratory supplies, and Dome Laboratories Division produces dermatologicals, allergens and the therapeutic drugs.
Built in 1963
The Union Starch & Refining Co. plant in Granite City processes more than 30,000 bushels of corn daily. The plant was built in 1963 for the manufacture of corn syrup by the St. Louis Syrup and Preserving Co. Its grain plant totaled 350 in 1950 and rose to around 650 in 1964 after world war II. Breaks in production in 1948 idled many workers, but the end of the wartime drain on grain products, has insured corn supplies since.
In 1952, Union Starch spent about \$1 million on modernization and re-equipping a three-story building for renewal of dry starch production. Present equipment is capable of producing dry starch at the rate of 180,000 pounds a day.

Halloween Parade To Start at 7 P.M.

The annual community-wide Halloween parade and costume judging contest, sponsored jointly by this year's Granite City Moose Lodge 772 and the Downtown Granite City Shopping Center, will start at 7 p.m. Monday, Oct. 31, it was announced today.

The event attracts hundreds of youthful masqueraders each year. The parade route will follow that of last year, starting at the city hall and proceeding past on Nidringhaus avenue to State street, south on State to 19th street, west on 19th to Nidringhaus avenue and back to the city hall where judging will be held and prizes awarded.

Clarence Meyenberg, Moose civic affairs chairman, said the judging, costume categories and prizes will be announced later.

January 1922 to Union Starch. The parade was founded in 1922 when Union Starch was in April 1904 by Joseph I. Irwin and his son William G. Irwin, who opened a grain plant in 1904 with a grain capacity of 500 bushels. This was increased to 5000 bushels within two years. In 1922, when Union Starch transferred its entire operations to Granite City, products included dry starch for household and industrial use, corn syrup, Pen-nant Brand table syrup, corn sugar, corn oil and cattle feed from corn-milling by-products.

GC Council Oks Salary Boosts for 123 City Employees

Ordinances officially granting pay increases to city employees were approved Monday night by Granite City Council members, who instructed Robert Stevens, city clerk, to prepare the ordinance. The ordinance, which is retroactive pay to May 1 on the next payroll checks late this month.

Pay increases granted are to 7% for police and firemen, based on length of service, a 4% increase for the street department workers, and increases of \$11 or \$24 a month for appointed officials and city hall employees.

The police department increases for 30 men will amount

mayor. The 4% pay hike would have cost the city a lower figure of \$3796 a year.

While the pay increase ordinance for the police, fire and street departments was approved with only one dissenting vote—Alderman Baschak—the ordinance for the city hall employees had six "no" votes—Aldermen Rutledge, Whitmer, Johnson, Sternberg, Thompson and Fry.

On suspension of rules for passage, Johnson voted "aye". Under the ordinance, the city hall employees will be paid double time if required to work on eight holidays—New Year's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving and Christmas.

Salaries in the police and fire departments with the new 3% to 7% increases will be \$220 a month for a probationary patrolman and will range from \$335 to \$738 a month. The street department's new rates will be \$352 to \$639 a month.

At the city hall, the \$34 monthly increases are going to clerks, the switchboard operator and city hall matron, while the \$11 increases are for the mayor's secretary, maintenance man, humane officer, controller, assistant controller, city attorney, inspector, assistant inspector, building inspector and custodian.

Treatment Plant Taken under advisement by the Personnel committee was a recommendation made Monday night by Alderman Morrien, chairman of the Personnel committee, that the city employees be under the provision for double time pay on the eight holidays. An ordinance is to be prepared.

Personnel committee chairman Thompson said the committee is to meet in the near future. The ordinance is under consideration. He would not put the committee vote

that any city employee who is unable to work because of an injury suffered in line of duty should not have the dues deducted from his accumulated sick leave.

TROOP HALLOWEEN PARTY
Brownie Troop 73 opened its meeting Monday with the pledge of allegiance at the Madison recreation center. Mrs. Thelma Skelly, leader, and Mrs. Sally Skelly, assistant leader, led the troop in reciting the Brownie oath, and all sang the "Smile song".

Plans were discussed for next Monday's Halloween party. Miss Leslie Skelly taught songs to Patricia Douglas, Janet Dugan, Marsha Collett, Terri Fanning, Tammi Maers, Glenda Oliver, Debbie Townsend, Linda Derner, Becky Sykes, Donna Bokovsky, Phyllis Sipes, Jeanne Grimes and Anita Rodgers. The meeting closed with "Taps" and the tunnel song.

BROWNE TROOP TO OBSERVE HALLOWEEN
Mrs. Virginia Landwehrmeier led Brownie Troop 1100 in the pledge of allegiance Monday as it met in the cafeteria of the Madison school. The troop recited in unison the Brownie oath, and Kathy Niedhardt led singing of the "Smile song".

Time spent working on "situps" by Tina Ellis, Lisa Narvaez, Linda Shelton, Kathy O'Neil, Ellen Voegel, Debbie Thompson, Kathy Niedhardt, Mary Lee, Vicki Vassilef, Gladys Patterson, Mrs. Frank Cravens, Ora James, Lucy Bond, Jewell Ratliff, Eula Lively and Ruth Hambrick. Next month's hostess will be Ora James, and co-hostess will be Ruth Cowell.

A first aid kit is to be made, and each girl volunteered to bring an article for the kit. The kit was made for a Halloween party next Monday.

Elmer Voegel assisted with the meeting. After a play period, the girls were dismissed with singing of "America" and the tunnel song.

VOTA VITA CLASS OFFICERS INSTALLED
Miss Nancy McManaway was hostess Monday evening to the Vota Vita class of First Baptist Church Tuesday night at the home of its teacher, Mrs. Nora Britley.

The Scripture and class motto and aim were given by all. Reports were given. The meeting date has been changed to the first Tuesday of every month, "Trust and Obey."

Installation of new officers was held, with Mrs. Naomi James as installing officer. Her theme was "Discipline Opportunities."

Those installed were: Ethel Stone, president; Pauline Corey, vice-president; Hazel Trotter, secretary; Gertrude Ashford, assistant secretary and treasurer; Nora Britley, group captain; Evelyn Lee, Bernice Whitten, Pauline Pinkley and Hilda Jackson, group leaders.

A luncheon was served, and the meeting was adjourned. The next meeting was discussed for the class Christmas party. A luncheon was served, and the meeting was adjourned. The next meeting was discussed for the class Christmas party.

Den Two of St. Mary's Cub Pack 47 opened its regular meeting Monday at the home of Mrs. Beatrice Stentzer with the pledge of allegiance. After reviewing the scout promise, oath and law of the pack, the group sang.

Half of the boys did magic tricks, and the remainder will perform tricks at the next den meeting.

Mrs. Carol Hancock served refreshments to Tony Karpowicz, den chief, Donald Karpowicz, and Mrs. Gladys Travis, a new member, was welcomed.

Hostesses, Mrs. Rhodes and Mrs. Mayne Wagoner, served refreshments at tables decorated with fall flowers and Halloween colors.

LOGAN PAT TO BEAR REPORT ON LIFTOFF
The Logan school PTA will meet tonight at 7:30 in the multi-purpose room of the school at West 25th street.

Mrs. Ruth Lahr, directors of the Project Liftoff program, will be the speaker of the evening.

GROUP AIDS UNIFORM

The Madison Ladies City Organization held a regular meeting Monday evening at the St. Mary's Church. The group, Maers, president, presided after the Lord's Prayer was given in unison.

A \$25 donation was made for materials to be used by the organization for house slippers, which will be given to the St. Mary's Hospital. The club is also donating \$100 to the Band Parents to be used for new band uniforms.

A social period was enjoyed, and refreshments were served to Meddars Sara Duto, Kay Mullen, Helen Kozewich, Sally Maers, Donella Maers, Julia Voloski, Veronica Kula, Sophia Derner, Alice Halcory, Grace Horman, Ann Blazack, Cora Barr, Judy DuBray, Helen Geroff, May Halava, Hazel Swert, Marie Stawski, Josephine Knezovich, Ida Dant, Winnie Sasyk and Nettie Gnojewski.

HALLOWEEN THEME FOR PHEBAN CLASS
Mrs. Pearl Kingsley opened a meeting of the Pheban Sunday school class at the First Baptist Church Tuesday night. Mrs. Mary Stanfill, hostess, gave the devotion on "What Time It Is."

Mrs. Marge Purcell, co-hostess, read the Scripture. Halloween decorations served the scene for a dessert course served to Opal Fogle, Nell Montgomery, Gladys Patterson, Mrs. Frank Cravens, Ora James, Lucy Bond, Jewell Ratliff, Eula Lively and Ruth Hambrick. Next month's hostess will be Ora James, and co-hostess will be Ruth Cowell.

INSTALLATION OF BETHANY CLASS
The Bethany class of First Baptist Church met Tuesday night at the home of its teacher, Mrs. Vesta Williams, 1618 Fourth street. Mrs. Nora Britley opened the meeting with prayer, and the members sang the class song, "Trust and Obey."

Water Company

Seeks Franchise Meeting with GC

Arrangements to resume franchise talks between the city and East St. Louis & Interurban Water Co. are being made. It was announced during Monday night's Granite City council session by Mayor Parney.

The mayor said officials of the company, which has not had a franchise with the city for several decades, contacted him to request a meeting.

Parney relayed the information to Alderman Ford Johnson, chairman of the Fire and Water committee, who said he had some data to gather before the committee would be ready to meet.

The water company advised the city that three fire hydrants have been installed in the past several weeks at Sara and Lynch avenues, Sara and Harvey place and in the next addition to Anchorage Homes at Winters drive and Edwards street.

The drive in the housing project for the elderly was named for a former housing board member, Walter Winters.

Several aldermen complained that the water company has not been keeping up with fire hydrant installation requests. The mayor was asked to take up the matter with water company officials here and the main offices in East St. Louis.

CONRAD KLAEPSTEIN

Circuit Minister in Quad-Cities This Week

The Granite City congregation of Jehovah's Witnesses this week is being visited by Conrad Klapstein, Edwardsville, circuit minister for Illinois Circuit No. 6, at Kinross Hall, 2822 Palmer avenue.

Klapstein is spending much of the time visiting in homes in the Quad-Cities to build up knowledge and strengthen the faith of interested people in the Bible, in God's "kingdom of righteousness" and in Christian salvation.

Concluding his visit, he will deliver a public address, "Christendom, Christianity—Which One Has Failed?" at 3 p.m. Sunday, Oct. 23, at the Palmer avenue address.

First aid kit is to be made, and each girl volunteered to bring an article for the kit. The kit was made for a Halloween party next Monday.

Elmer Voegel assisted with the meeting. After a play period, the girls were dismissed with singing of "America" and the tunnel song.

Housing Project Residents Seek Action on Old Cemetery

The unsupported claim of a small boy that he found a live fragmentation grenade in the 134-year-old cemetery, adjacent to Kirkpatrick Homes housing project, has provided the necessary spark to speed-up further steps in clearing the blighted tract of land and reclaim it for a quiet park area.

Such action has been sought for nearly three decades by the area's residents and municipal authorities. Attempts have been made throughout the years to start restoration programs, clear the land, eliminate high weeds and fill-in excavations caused by neighborhood children.

William Jenkins, former city inspector, said yesterday that efforts to clean about half of the four-block long cemetery would be resumed about Nov. 1. He added that his volunteer group had begun the clearance project last spring, but that weekend endeavors had bogged down.

Approved by Bishop Permission to clear a specific area by a local group was granted by the Most Rev. William A. O'Connor, Bishop of the Springfield Diocese, Jenkins said. Renewed attempts will be made, it has been blocked over the years by legal technicalities, family considerations and charges of politically-motivated resistance to the idea.

Alderman Parmley, chairman of the Quiet Park committee of the city council, told the Press-Record he had worked diligently toward clearing the cemetery but was unable to get cooperation on an official level.

Members of the Kirkpatrick Homes Improvement Association, having discussed potential hazards of the old cemetery at several meetings over past months, elected to stress the need for immediate action Tuesday, after reading of a nine-year-old boy finding a live hand grenade in that area. Police still are investigating the incident.

Reports of neighborhood children digging in the cemetery and finding jewelry and other objects added to the urgent requests for action.

Mrs. Sandra Ray, association president, told the Press-Record that her young daughter had seen another child with a camera or picture object, described as being found in the cemetery. She also related that earlier this month police had investigated "a fairly deep excavation in the cemetery which had tunnels branching off underground."

Mrs. Ray said that Mayor Partney had informed her he was willing to send city equipment into the area to assist in clearance efforts if permission can be obtained from the controlling board of trustees. In past years, the city has sprayed the tract to eliminate insect breeding places, but a threatened law suit from an individual at one point had halted further clean-up work.

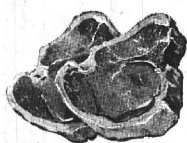

Jenkins said he planned to attend a 6:30 meeting of the Kirkpatrick Homes Improvement Association set for today in the recreation hall and explain the situation to member. The association will hold a pot-luck supper for all housing project residents, followed with a membership drive, Mrs. Ray reports.

Time for Eagles

(Last of a series of articles on the Vietnam war by the late Dr. Russell Strange, Champlain, a native Granite Cityan and former Madison resident, who was acting head of the department of political science at Eastern Illinois University, Charleston. After discussing Vietnam, he had planned to write other columns on American foreign policy and international politics. However, he was killed Oct. 4 in an auto crash while commuting from his home to the university.)

Objectives of the United States in Vietnam have been very clear. Perhaps this is why there is so much present confusion by critics.

The U. S. wants the aggression to stop. It is that simple. The U. S. wants neither a war in Southeast Asia nor to upset Uncle Ho in his back yard.

Social, Economic Goals
The U. S. wants to improve the life of all people in Southeast Asia by developing the society and economy of the area, which is the only means for peace north or south of the 17th parallel to have a decent life.

The U. S. wants to get better with the building and the promise of a new and free Asia.

Consequently, one of the problems in understanding the simplicity of these objectives is that war and peace are pursued at the same time.

We are resolutely going to fight until the foe realizes that it is best for him to cease his aggression and until his will to fight is gone. We want to achieve greater goals in Asia without humiliating the vanquished.

Critics have all sorts of unworkable proposals. An all-Asian peace conference can only mean domination by China without a United States to balance its power. This inclusive observation was made to me by Senator Paul Douglas as he climbed dripping wet from his afternoon swim while visiting Champlain again in September.

One-Way Street
"Negotiate with the Viet Cong" is a repeated, impossible theme. President Johnson has time and again tried to negotiate, but it is impossible on a one-way street. There is no one to negotiate with except Uncle Ho.

SIU Fraternity Pledges To Construct Memorial

Some 250 new pledges of Southern Illinois University's social fraternities and sororities will pitch in Oct. 22 to construct a campus memorial at Carbondale to a star SIU athlete who was killed Sept. 3.

The Junior Inter-Greek Council has announced plans for a work-day project to construct a picnic-recreation area at SIU's Lake-on-the-campus, near "Greek Row." The area will memorialize Frank Schmitz, national champion gymnast from Lafayette, La. Schmitz, 20, was killed when a plane he was flying crashed in Louisiana.

The project will include clearing a point on the lake, placing eight new picnic tables, refurbishing old ones, and building a brick barbecue pit. A memorial plaque will be placed at the site later on. The area will be named Frank Schmitz Memorial Point.

Schmitz was a member of Sigma Pi fraternity. He was national titlist in the trampoline and floor exercise events as a sophomore and won the long horse and free exercise last year, leading SIU to the NCAA championship.

Extra Warrior Yearbook On Sale for \$4 at GCHS
Extra copies of the 1966 Granite City high school Warrior Yearbook is available to interested persons and is on sale for \$4 each in room 144 at the senior high school.

Robert Johnson, yearbook advisor, said anyone wanting to buy a copy may contact him during the regular school day.

The \$4.6 million dollar University Center on Southern Illinois University's Carbondale campus is paid for by student activity fees.

New York Stage Show To Be Presented Here

New York's longest running show, "The Fantasticks," will be brought to the Southwestern Campus Saturday by Southern Illinois University's University Center Board as a part of homecoming festivities.

The story concerns a young boy and girl, growing up under the watchful eyes of their fathers, who pretend to frown on the young couple's interest in each other but secretly scheme to bring them together. The catalyst in the story is a narrator who sometimes takes on the personage of a Spanish bandit, El Gallo, and who shows the ways of the world to the boy and girl.

The Tom Jones-Harvey Schmidt musical will be performed at the Edwardsville junior high school by members of the New York cast under the direction of Donald Babcock, who will repeat his role of the boy's father which he has played in the New York production for more than 1700 performances.

Many of the songs from the score have become standards during the seven-year run in New York, notably Barbra Streisand's recordings of "Much More," "Soon It's Gonna Rain," and "Can See It," and Harry Belafonte's rendition of "Try to Remember."

"The Fantasticks" is being produced for SIU-SW Campus by David Cryer-Albert Poland Productions. Cryer will appear as the narrator. Curtain time is 8 p.m.

Tickets for faculty and students are \$2 and admission for the public is \$3.

You don't believe a 6 can act anything like an 8?

With our new Overhead Cam Six you'd better believe it.

Our OHC 6 delivers 165 hp on regular gas. And 215 horses from the premium gas 4-barrel version. Most American sixes (and some underprivileged V-8s) don't even come close. Expensive European sports machines do, but they're overhead cams, too. In fact, they inspired us. Our OHC 6 is standard on all Tempests and Le Mans. So are a host of new safety features like passenger-guard door locks, General Motors' new energy absorbing steering column and a four-way hazard warning flasher. We've said enough. GC Traffic Board Calls for Removal of View Obstructions at Corners

An ordinance requiring any type of obstruction at a corner to be removed to give motorists a clear view was recommended to Granite City council members Monday night by the Traffic Study Commission, headed by Dale Arnette, local businessman.

The commission noted that the 45-foot maximum height permitted for fences, and interpreted also to include hedges, bushes and shrubs, is too high.

With traffic accident prevention in mind, the commission requested the council give study to removal of all view-blocking obstructions, including those on private property. No direct action was taken by the council.

Arnette also reported to the council that the commission is continuing a study on the possibility of limiting vehicle parking to one side of heavily-traveled East 27th street between Washington avenue and Nameoki road.

be reversed and place on Henry street, and had called for the placement of the stops on Edwards street.

"There's the Grace Baptist Church on the corner that has classrooms across the street, and I've been given petitions signed by persons wanting the signs replaced," Parnley said.

Mayor Parnley said he vetoed the ordinance to support the recommendation of the Traffic Commission.

Early in the meeting, the Traffic Commission's recommendations for parking restriction and controls were presented to the council. Among them, the commission turned down requests for stop signs on Edison avenue at 18th street and for one stop sign on Ohio avenue at West 24th street.

Firey Argument
Alderman Nann insisted the Ohio avenue-West 24th street

stop sign be installed, and he called for an ordinance to be prepared. Nann charged the rejection by the commission had been politically motivated, and that he had heard the mayor had been present at the commission's meeting. "I was told that he said 'nothing for Nann's ward—he's not for me.'"

Mayor Parnley denied that he had made the comment. Alderman Parnley said he had heard it, and Whitmer, also a member of the commission, said that Parnley had misunderstood the mayor.

"The way I heard it," Whitmer said, "was that the mayor had said that it made no difference if it was in Nann's or any other alderman's ward, that if the stop sign was not needed, it shouldn't be put in."

Stop Request OK'd
Nann's request for the stop sign ordinance to be prepared was approved by a vote of 15-to-1, with Whitmer dissenting.

The commission noted there had not been a traffic accident there in five years. Nann commented, "The woman who lives on the corner wants it."

Ordinances also are being prepared for several recommended parking and traffic controls submitted by the commission. They are—

No parking zones on either side of 36th street between Madison and Grand avenues; a no parking zone on the north side of 30th street between Madison avenue and Iowa street; a two-hour zone on the south side of 30th between Madison and Iowa; two-hour parking zones in front of dwellings in the 1400 blocks of Washington avenue and Iowa streets; a no parking zone on the north side of Jill avenue at Nameoki road to a point 75 feet east of the Bellemeore Village shop.

State Suspends Driver Licenses of 3 Here
Licenses of three Quad-City drivers have been suspended by Paul Powell, secretary of state, because of three traffic rule violations.

The suspensions are for Joseph S. Hall, 2037 Dewey avenue; Donald M. Lowe, 1223 Dewey avenue; and Charles E. Simpson, 1415 Fifth street, Madison.

Granted probationary permits were Hall and Benny R. Cooper, 3034 Lake drive.

Stepping Stones
Talking advantage of a raft of friends is the only thing that keeps some people afloat.

ping center driveway, and stop signs on Bromley avenue at Lincoln avenue.

Business Owner Objects
Alderman Whitmer, also a member of the Traffic Commission, pointed out objections by Granite City Glass Co. to the commission's recommendation for no parking zones on both sides of Edison avenue, extending 50 feet south from 18th street.

"The owners say they need parking at their business place," Whitmer advised the council.

Man Fined \$80, Costs
Ramos Robert Becerra, 20, of 111 Graniteville street, Venice was fined \$80 and cost for resisting arrest, \$20 and cost for disorderly conduct and \$10 and costs for intoxication Monday in magistrate's court. The charges were filed Monday by Venice police.

Decatur Man Arrested

James Taylor, 30, of Decatur, was charged with illegal transportation of liquor and disorderly conduct at 6:10 a.m. Tuesday after he and a companion were found behind Don's service station, Nameoki road and St. Clair avenue. He was released on \$25 cash bail pending a hearing.

Sen. Kennedy To Visit Area Next Wednesday

U. S. Senator Robert F. Kennedy, Democrat of New York, will appear in the Quad-City area Wednesday afternoon, Oct. 26, in behalf of Senator Paul H. Douglas, Democrat of Illinois who is seeking re-election in the Nov. 8 general election.

Plans are tentative and a time schedule for his appearance in Madison and Venice has not yet been worked out, according to Walter T. "Buck" Simmons, chairman of the Madison County Democratic Central Committee. Simmons said he hopes to work out several brief speaking appearances, possibly in Granite City and Alton as well as Madison and Venice, but this depends upon the time the senator has available.

The present program calls for meeting Senator Kennedy at Lambert Field with a motorcade that will proceed from the airport to Venice. Arrangements also are to be made for a speaking appearance at the East St. Louis senior high school.

Senator Douglas is running in a close race with Chicago Industrialist Charles H. Percy. Douglas is seeking his fourth six-year term.

Vietnamese Gallantry Cross to Pfc. Dunning

Marine Pfc. Richard L. Dunning, son of Mr. and Mrs. Harry W. Dunning, 322 Myrie avenue, has been awarded the Vietnamese Cross of Gallantry with Palm for combat action on "Operation Hastings," while a member of the Third Battalion, Fourth Marine Regiment, Third Marine Division.

Pfc. Dunning, who recently concluded a 30-day leave at home with his parents, is enroute to a new assignment at the Marine base at San Diego, Calif. When contacted by the Press-Record for additional information, Mr. and Mrs. Dunning were unaware that their son had received the decoration.

The Marine Corps statement related that "Operation Hastings" was a multi-battalion operation which took place within two miles of the Demilitarized Zone against the North Vietnamese 324 Division.

His unit accounted for more than 300 of nearly 900 enemy killed during the 18-day engagement. His battalion's primary mission was to meet and capture or destroy the enemy by shock troops, fire, maneuver or shock action.

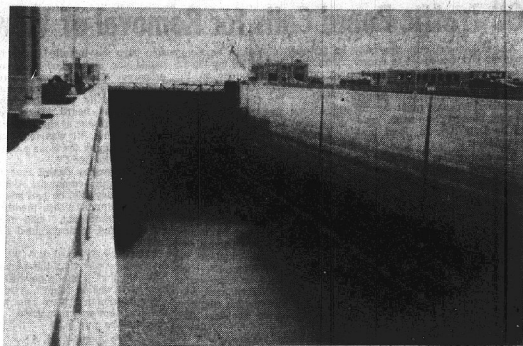

The 26-year-old Marine told the Press-Record that his unit sustained heavy casualties in the operation, which took place in the latter part of July. "It was mostly a ground action with air support," he said.

A rifleman, Dunning had been in Vietnam for one year and 28 days prior to returning home a month ago. He enlisted in February 1965. He attended Granite City high school and was employed at Mrs. Seibol's bakery on Madison avenue before joining the service.

WATER for BETTER LIVING

Public fire protection wasn't always as good as it is today. What we now take for granted was many years in the making. The knowledge and inventiveness of water system engineers. The skills and experience of the equipment makers. The first-hand know-how of the fire fighters. It took all these, and more, to develop the high standards of fire protection we have come to expect. An important milestone along the way was the perfection of the high-pressure public water supply system. This is the type of system that serves our community well and provides the best possible protection against the awful menace of serious fire.

Halloween Poster Contest Judging Set for Today

Judging in the annual Halloween poster contest for Granite City senior and junior high school art students was scheduled this afternoon at the high school. The posters are to go on display in Granite City store windows on Monday. Prizes are to be awarded to the winners by the Associated Retailers & Civic Association of Granite City. Judges are Miss Catherine Kratz, Miss Wanda Wands, Miss Gail Schaefer, Mrs. A. J. Mueller Jr. and Robert Moske. The judges will lunch at the Rosse Bowl restaurant before judging the entries. All art students were required to submit entries and Eugene Allessi, art department director, said enthusiasm is running high. He said that the entries "show better training in art education and in illustration than they've ever shown before." All entries by senior high school students are composed in three-dimensional form this year. Cash awards for the senior and junior divisions will be presented.

GCCHS Mixed Chorus to Record Yule Songs

The Granite City high school advanced mixed chorus of 72 voices is busy rehearsing Christmas music in preparation for making a recording which will be available to the general public in time for use as Christmas gifts. It was announced today by the director, Warren Simpkins.

The tape for the Christmas recording will be made Saturday, Oct. 29, at the high school by a representative of the RCA Victor Custom Record Division of RCA Victor Co. who will bring with him all the latest recording equipment.

The recording will climax months of planning and two

months of actual rehearsal on the music. It will include Christmas favorites old and new such as "The Little Drummer Boy," "ECHO Carol" and "Silver Bells." In addition to the large chorus group, the 18 voice selected ensemble will sing several numbers.

Orders for the records which will be available in November are now being taken by members of the advanced mixed chorus. The total cost of the record will be \$3.

Coronation Dance, Play Top SIU-SW Homecoming

A coronation dance, jazz concert and a performance of "The Fantasticks," New York's longest running play, will feature of homecoming festivities at Southern Illinois University's Southern Campus this weekend.

The homecoming queen, to be named at the dance in the Gold Room of the Sheraton-Jefferson Hotel in St. Louis Friday night, will be selected from five finalists: Joyce Brave, Wood River; Judy Harris, Glen Carbon; Elira "Boots" Johnston, Edwardsville; Peggy Sax, Belleville; and Donna Yates, Edwardsville.

Also at the dance, the winner will be announced from a student election to pick a school mascot for the new campus. The names polling the most votes were cougar, titan, pioneer, ranger and eagle. Mascot for SIU's Carbondale campus is the Egyptian hunting dog, the saluki.

"The Fantasticks" will be seen at 8 p.m. Saturday at the Edwardsville junior high school gymnasium. The cast includes David Cryer, Alice Cannon, George Riddle and Walter Mc-

Ginn, who recently starred on Broadway in the prize-winning play, "The Subject Was Roses." The Preservation Hall jazz band will be heard at 8 p.m. today in the Edwardsville junior high school. The group gets its name from the club in the French Quarter of New Orleans dedicated to the preservation of traditional jazz. Featured on the program will be Dede Pierce, a blind trumpeter, and his wife, Billie, pianist and blues singer, who have been playing together for 30 years.

The jazz concert is open to the public without charge. General admission tickets for "The Fantasticks" are \$3.

GCCHS Band Parents Plan Benefit Supper

Final plans were made Tuesday evening by the Granite City High School Band Parents Association for a pancake and sausage supper to be given from 5:30 to 8 p.m. next Thursday. The event will be held in the Granite City high school cafeteria.

Mrs. Leonard Gertsch, project chairman, said today that all tickets will be held in advance of the benefit supper by high school band students and members of the parent's club. Tickets will not be available at the door the same evening, she stressed.

Proceeds derived from the annual fall event will be used to help finance the 100-member band's out-of-state trip, scheduled for early next year.

EXPECTANT MOTHERS & BABIES NEED VITAMINS

Medical authorities and public health agencies are in agreement about the need of vitamin supplements for expectant mothers. They also state that babies should take special vitamin compounds to help their growing bodies. These vitamins are one of the reasons for reduced infant mortality.

But the proper dosage and formulae required are so important that a physician should be the only one to choose which ones expectant mothers and infants should take. Therefore, physicians specify the particular dosage and brands they believe will help most. We carry them in stock and advise you to take no other.

Street Dept. Costs Below Estimate on Mitchell Ave. Job

The curb and gutter improvement to Mitchell Avenue between Nameoki and Ponton streets, Venice, was carried out by street department workers, cost the city \$925, or \$185 under the \$1,110 estimate, it was reported to the Granite City council Monday night.

Kenneth Kieberger, engineer for the city's consulting firm of Research Planning & Design Associates, said the project verified that savings could be realized on such projects with the street department doing the work instead of a contractor.

Alderman Johnson commended the department did "exceptional" fine work and I hope the program can be carried out on other streets in need of curbs.

Application for \$435 additional motor fuel tax funds for the Granite City portion of the McCambridge avenue improvement

project was authorized by the city on the recommendation of the project engineer, Edward Juneau of Sheppard, Morgan & Schwaab.

Track Removal Authorized
Two track removal projects to be carried out with special street improvement funds were authorized on a bid of \$19,900 by A. H. Seebold Co. Only one bid was received.

The old Illinois Terminal trolley tracks are to be removed from Niedringhaus avenue east of Madison avenue at a cost of \$24,945. The city presently has \$27,816 in the special street improvement fund.

Bids on two other track removal projects were held for the street committee. They include Niedringhaus avenue from Cleveland street to Adams street, bid at \$6545, and along Adams street north of Niedringhaus avenue, bid at \$5145.

Calls for Quick Job

The street committee asked to review all bids for track removal, but Alderman Bartosiek called for an immediate contract award with the hope of getting the work completed before bad weather sets in. His amendment to the study motion was approved by a vote of 12-4, with Aldermen Rutledge, Morelien, Thompson and Fry opposing it.

The Seebold Co. also was awarded a contract for curb and sidewalk projects on a low combined bid total of \$13,044. The only other bidder was Thomas Skerle Co., \$13,960.

Curbs and sidewalks are to be installed along East 23rd street east of Nameoki road, one block along West 21st street, and a section of East 23rd street.

Clark Ave. Drainage

Another bid by Seebold Co. being held in abeyance for study of bid prices amounted to \$15,405 for a drainage line along Clark avenue at Franklin avenue running west. Seebold was the lone bidder.

Alderman Green called for the contingency fund of the street department to be used for sidewalk and curb repair and replacement, since the funds set up for the work is depleted.

Alderman Sternberg, chairman of the street committee, said the department was authorized to carry out needed, minor repair projects from its regular maintenance funds.

City Bill List Approval Features Sidewalk Debate

A \$40,048 bill list was approved Monday night by Granite City council members following a debate over payment for sidewalk installed along Maryville road at the new Parkway school.

The \$1645 bill was approved for pavement to Thomas Skerle by the familiar 11-to-5 vote after Alderman Sternberg, chairman of the Department of Defense and Office of Civil Defense, Washington, D. C., are scheduled to address the delegates.

Koenig, a member of the national By-Laws, Constitution and Resolutions committee, will participate in pre-convention committee sessions that are expected to result in several constitution and by-laws revisions.

Hoelscher, acting technical secretary of the city Air Pollution Control board, were approved at \$220; and allowances on the bill list included \$100 for Victor Koenig, civil defense director; \$30 for Alderman Moerlein and \$75 for Police Sgt. Ronald Vizeer to attend a state police association meeting in Joliet.

NORMA'S MATERNITY SHOP
2922 NAMEOKI RD.

Engineer Paul Hagler was called on for an opinion and recommended the contractor be paid.

Upholding the separation of the bill were Aldermen Rutledge, Whitmer, Sternberg, Thompson and Fry, while those voting in opposition were Nann, Bartosiek, Johnson, Boyd, Dallas, Moerlein, Parmley, Robertson, Paulos and Green.

Other payments to Skerle under his sidewalk construction contract amounted to \$773 for work along Bryan, Ohio, Oregon, Cleveland, Delmar, Victory and Rhodes street and the intersection at West 21st street and Ohio avenue.

Separated from the bill list was a \$30 charge by Paul Seebold Concrete Co. for rental of a backhoe without an operator for 2 1/2 hours. Sternberg said he wanted to review the bill with the firm.

Among the payments approved were \$2932 to Illinois Power Co. for street lighting and electric service to city buildings and \$107 to Grand Cafe for 14 meals served at city jail in connection with Services of Prof. Erwin C. Nann.

Madison HS Class of '31 Holds 35-Year Reunion

Thirty-five years following their graduation from Madison high school, members and officers of the MHS graduating class of 1931 held their first reunion recently in the home of Dr. and Mrs. Vasil Vasiloff, 2818 State street.

Honored guests included Mrs. Henry George, who taught the graduates at the eighth grade level, and Miss Frieda M. Michel, a commercial teacher during the group's high school years.

Class officers attending were Frank Wondra, president, Melvin Lee, vice-president, and Mrs. Ernel Raney Williams, secretary-treasurer.

Excerpts from the class annual, read by Wondra and Mrs. Williams, detailed the class prophecies and jokes, while Robert Hocking repeated the class poem which he had composed. Each of the graduates related highlights of their careers and lives since 1931.

Unable to attend, but sending letters and photographs, were Miss Helen Kowalski of Rock Island, Mrs. Clara Karpowicz Ziolkowski of Evansville, Ind., and Mrs. Helen Doniff Adams of Indianapolis, Ind. A congratulatory telegram also arrived during the party for Mrs. Williams, sent by Rev. Harold Maynard and his congregation.

A moment of silence was observed in memory of deceased class members, Richard McEford, Alex Gilcho, Woodrow Lybarger and Ruth Fogle.

A buffet-style dinner was served. Others present were Mrs. Melvin Lee, Mrs. John Michels, Mr. and Mrs. Adam Zentgraf, Mrs. Robert Hocking, Mr. and Mrs. August Sacadat, Mr. and Mrs. George Filicoff, Mr. and Mrs. Curtis W. Williams, Mr. and Mrs. Mike Hrysko, Mrs. Frank Wondra, Mr. and Mrs.

GC Resident's Mother, Mrs. Starnes, 68, Dies

Mrs. Beatrice Ann Starnes, 68, of 10 Bougainville drive, East St. Louis, the mother of Mrs. William (Geanne) Beatty of Granite City, died at 10:50 p.m. Monday, at Christian Welfare Hospital. She had been ill nine days and in the hospital for the same length of time.

A past president and among the founders of the Volunteer Service Organization, the Pink Ladies Corps at Christian Welfare Hospital, Mrs. Starnes had been active with other groups, including the St. Ann Altar Society of St. Philip's Catholic Church. Recently, she had been serving as president of the church's Senior Citizen's Club.

Born in Decatur, Ky., Mrs. Starnes had lived in the East St. Louis area for the past 40 years. Until retiring 15 years ago, she had taught for 25 years at Summer's Business College in East St. Louis. Her husband, Claude C. Starnes, preceded her in death in 1958.

Besides Mrs. Beatty, also surviving are two other daughters, Mrs. Jerry (Nancy) Higginbotham of East St. Louis and Mrs. John (Alene) Foster of Florissant, Mo.; two brothers, John

RICHARD ATKINS ANNOUNCES GRAND OPENING

Saturday, October 22nd, a Grand Opening Celebration will begin at Atkins Floor Covering, 3780 Pontoon Road. The celebration will continue thru Saturday, November 5th, giving Quad-City and area residents two full weeks to visit the store, and enter their names to win one of over 130 wonderful prizes. Mr. Atkins told our reporter at the press conference, "The first prize winner will receive 20 square yards of carpeting, plus foam rubber pad and installation. That's enough to cover the average living room."

Dick Atkins also assured us that no purchase is necessary to enter names for prizes, and the first prize winner will be free to select a nylon or Herculon carpet for their home. Herculon's polypropylene olefin fiber will not stain, and would be perfect in a home with children.

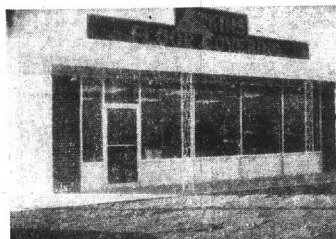

Dick told us Saturday, October 22nd, the first day of the Grand Opening, refreshments will be served in the showroom. Dick said, "Seibold's Bakery will be sending doughnuts over, and of course we always have coffee here for the folks that stop by the store." We asked Dick why he was giving away refreshments and so many prizes. "We're awfully proud of our new store, and the service we offer the community. We have the only complete floor service in Granite City, and we just want everyone to drop in, have a cup of coffee and get acquainted." We'll see you Saturday, Dick.

Richard Atkins Promises Low Priced Luxury for Every Room

"We intend to make the finest quality floor covering available to everyone. The only way we can accomplish this is by dealing in volume. We order huge rolls of carpet and inlaid vinyl to insure the finest product at the lowest cost possible. This means that someone shopping the lower grades of floor covering, because of price, will be able to purchase the luxury items for the same amount of money." This announcement was made by Richard Atkins during the press conference for the Grand Opening Celebration.

We asked Mr. Atkins what other ways Atkins Floor Covering could assure quality. "Expert installation. All our mechanics have been thoroughly trained. Unless someone is trained right on installation you can take the highest quality and most beautiful floor covering available and end up with an unsatisfactory job. The customers picks the product he knows will add distinction to his home. From then on it's in the hands of the mechanic, and we have the best."

Pictured is Mrs. Jim Atkins of Granite City. Jim is Richard Atkins' brother and right hand man at Atkins Floor Covering. Several months ago, Jim commissioned a local artist to do the portrait, also pictured, of his wife. The families were so pleased that Mr. Atkins decided portraits by the same artist would be a must for prizes during the Grand Opening Celebration. Dick Atkins has retained the artist exclusively to do ten charcoal portraits of winners, or members of their families, at the end of the two week celebration. Talent seems to run in his family. His grandfather was a famous artist, known throughout America for his portraits, landscapes and murals.

Mrs. Seibold's Bake Shop, 2241 Madison ave., told us that the ten cake winners will be free to select their favorite flavor and icing. Mr. Seibold said, "Just have the winners call any of our stores a day in advance, and we'll have their cake decorated and ready for them to pick up the following day." Ten other people will receive a free car wash at the Jiffy Automatic Car Wash, 1506 Madison ave. Only the first prize winner will receive free living room carpet, but 100 other lucky folks will be awarded Twenty-five Dollar Gift Certificates for carpeting. Stop by the showroom, 3780 Pontoon road, Sat., Oct. 22nd thru Sat., Nov. 5th, and enter your name for one of over 130 fabulous prizes.

MR. JAMES ATKINS, CHECKING SAMPLES

With over 1500 carpet samples to choose from, you're sure to find the style, pattern and color you want in your home. One woman visitor commented, "If you can't find the carpet you're looking for here, it's because they just don't make it!" There's more truth in her statement than even she realized. Atkins Floor Covering can match any color, and even have a photograph reproduced in the carpet.

LETTERS TO DEAR JACKIE

Dear Jackie:

I'm ready to give up. My husband works in one of the steel mills and his safety shoes are going to ruin our carpet. He tracks in grease, sand and oil that just won't come up. I've tried every stain remover there is, and they all leave the stain right in the fiber. What should I do, lay wall to wall asphalt or get rid of my husband?

Tired of Cleaning.

Dear Tired:

Don't get rid of your husband, he paid for that rug in your home. Drive out to Atkins Floor Covering, 3780 Pontoon road, and ask them to show you Herculon carpeting. Herculon's remarkable polypropylene olefin fiber (and how's that for a tongue twister!) wears like iron and resists spilling and staining. It's safe from ink, ketchup, grease, motor oil and lipstick. Let him come home with grease and oil on his shoes, but if he shows up with the lipstick, get rid of him.

Dear Warn:

I have four growing boys that are murder on my kitchen floor. It's scrub and wax, scrub and wax, each and every week. I've even put the kitchen floor off-limits, and you can guess how long that lasted. What can I do?

Dear Warn:

You can't keep growing boys out of the kitchen; how do you think they grow? Atkins Floor Covering has a new inlaid vinyl floor that's cushioned for greater comfort, and with a permanent gloss finish that never needs waxing. The cushion means greater wear, too. Dents from high heels and furniture spring right back up. Visit the Atkins showroom today, 3780 Pontoon road. If you have floor covering problems, write "Dear Jackie" or call WE 1-4000.

A. O. Smith Sales Show Little Change
Operations of the A. O. Smith Corp. for the third quarter of 1966 showed little overall change in the company's performance over the same period a year ago, according to L. B. Smith, president.

Sales for the three months ended Sept. 30 were \$89,565,000 compared with \$75,749,000 for the same 1965 period. Sales for the nine months of this year totaled \$277,507,000, compared to \$270,782,000 in 1965.

The report showed profits of \$947,000, or 42 cents per share for the third quarter, compared with \$1,255,000, or 55 cents, for the same 1965 period. For the nine-month period this year, the company earned \$6,071,000, or \$2.99 per share, compared to \$6,717,000, or \$2.86 a year ago.

"Third quarter performance normally is influenced by annual model changes in the automotive industry," Smith said. "This year early cutbacks in 1966 model production caused our changeover period to begin sooner than usual. Although these factors reduced shipments for the quarter, we were able to make an orderly and efficient conversion to 1967 model frame production."

Line Variations ok'd For 2 Garages, Carport
Three side line variations on private property approved by the City's Zoning Appeals board for two garages and a carport were confirmed Monday night by Granite City council members.

The variations were for Harold Dombrowsky for a garage at 2821 Fortune drive, William Brown for a garage at 3007 Warren avenue and for Don Kinney for a carport at 2639 East 23rd street. All are in residential zones.

County Historical Society Fall Meeting to be Sunday

The theme will be "Beautification and Landscaping," with the program to be presented by Miss Edith S. Mason, St. Louis, a nationally-known landscape artist, and Dr. Gordon F. Moore, president of the Pride organization in Alton.

Mrs. Lewis will preside, and there will be a report of the society's nominating committee.

She reminded Quad-Cityans that the city museum at Edwardsville welcomes visitors and is open on Wednesdays and Fridays from 9 a.m. until noon and from 1 to 5 p.m., on Saturdays from 1 to 5 p.m., and on Sundays from 2 to 5 p.m.

City Gets \$49,104 From Sales Tax, MFT
Granite City council members accepted two reports from state agencies allocating funds to the city—\$26,126 city sales tax for July and \$22,978 motor fuel tax funds for September.

The added income of \$49,104 was referred to Controller Robert Stevens for inclusion in city accounts.

Meeting for two minutes as the town board of auditors, the council approved town fund disbursements of \$2690 and relief expenditures of \$1213. Among the town fund bills was \$600 for four officers to attend the Township Officials of Illinois four-day convention Oct. 23-26 at Peoria.

The officials to attend are Supervisor Nelson Hagnauer, Assessor James A. Barton, Town Clerk Homer "Cal" Pendleton and Tax Collector E. R. "Pat" Rich. Also on the town fund bill list was the \$200 travel and expense allowance for Assessor Barton.

PO Department To Call New Bids on Nameoki Station

A call for new bids, on construction of facilities for a Nameoki Station post office will be advertised by the Post Office Department during November, according to Richard F. Record, postal real estate officer at Madison.

The bid call for the new post office has not yet been set, Record said.

Bids called during the summer were rejected. Record pointed out, because all were in excess of the estimated price. Negotiations with bidding contractors were conducted but it was impossible to bring the offers within in the amount meeting Post Office Department approval, he added.

Bidders are asked to provide a location in a general business area and to construct a building for lease to the government for five years, with two five-year renewal options.

The building is to contain 600 square feet of floor space with a platform of 40 square feet, and a parking lot of 2000 square feet.

The new post office is to replace that torn down to provide right-of-way for the improvement of Nameoki road. The former building was located at 3909 Nameoki road. The station now is located temporarily in a residence at 3912 Nameoki road.

Local Physicians Attend Scientific Assembly
Dr. and Mrs. F. B. Dioneda and Dr. Robert S. Hill have been in Boston to attend the Annual Scientific Assembly of the American Academy of General Practice.

Thirty-one guest speakers discussed up-to-the-minute health care topics at the Academy's 18th annual convention. More than 3000 doctors attended the meeting. The Academy, headquartered in Kansas City, Mo., is the nation's second largest medical association and the only association that requires its 29,000 members to be going back to school. All AAGP members must complete 150 hours of postgraduate study every three years.

Social Security Office Open Thursday Evening

The Social Security office in East St. Louis is staying open on Thursday evenings until 9 o'clock for the benefit of those who work during the day. There are many persons who are working who are nearing 65. It is very important that those nearing 65 get in touch with the social security office and the evening hours give them the opportunity to do so, a spokesman said.

The social security office recommends that those persons who will soon be 65 contact the office in the three months before they are 65. In doing this the worker can get an explanation of his social security benefit and an explanation of medicare. Individuals will have the opportunity to enroll in medicare and be covered as early as possible.

Take advantage of the evening hours and learn about your rights to the benefits of your social security. The office is located at 435 Missouri avenue, East St. Louis and the phone numbers are BRidge 4-2200 or EXpress 7-5530.

Plan to buy a farm?

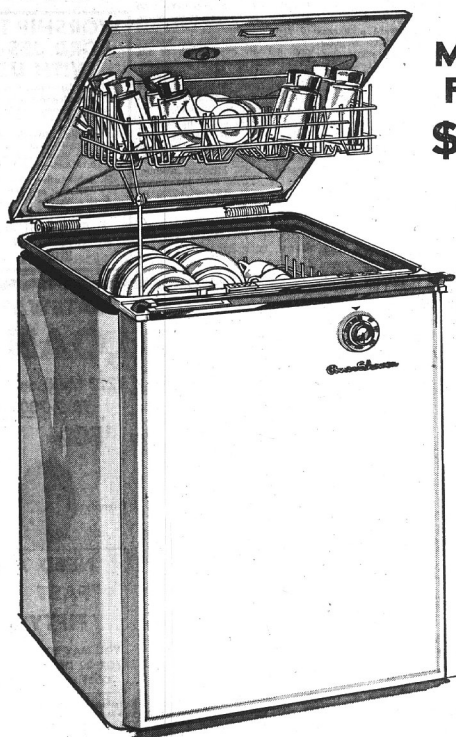

Don't forget to protect your investment with title insurance. Even if the farm you buy has been handed down through one family for generations, the title to the land has probably changed hands many times.

If there were mistakes in record-keeping during one of those changes, or if some member of the family did not legally give up his interest in the property, you could pay for a farm in which someone else may have an interest. A Title Insurance policy from Chicago Title and Trust Company protects you against such risks when buying real estate of any kind. It gives you the assurance that you really own the property you pay for.

Chicago Title and Trust Company provides the kind of rapid, efficient service that only the company with 119 years of experience in Illinois real estate titles can offer — with the safety that can only come from the company with the largest financial assets available to protect you against loss.

City's September Income Increases Fund Balances

The Granite City treasury received \$275,906 income during September—most of it in sales taxes—out of the special fund tax and tax commissions earned by the city treasurer's office—raising balances in most city funds even after September expenses are paid, according to a report Monday night by City Treasurer E. R. "Pat" Rasmussen and Comptroller Robert Stevens.

City expenditures during September amounted to \$127,511 in the general fund and \$97,580 out of the city's special account funds, for a total of \$225,091.

The report shows receipts last month aggregated \$186,624 in the general fund, including \$118,961 in tax commissions earned by the city treasurer's office during the recent tax collection period. Total income for all special accounts amounted to \$111,118. This included \$83,009 credited to the sales tax fund, made up of the regular monthly sales tax allotment plus repayment of \$55,000 which had been borrowed by the sewage treatment plant fund.

The report showed the city had an overall balance of \$420,476 in the general fund as of Oct. 1, compared to a balance of \$361,163 as of Sept. 1. For all special accounts, the city had an Oct. 1 balance of \$1,102,087, compared to \$1,068,550 as of Sept. 1.

Income of \$275,906 for the five months of the city's current fiscal year, beginning May 1, increased to \$882,469 the city's total available receipts in the general fund for the period, the report shows.

In the city's special accounts, revenue during the five-month period amounted to \$615,376, increasing total available funds for these accounts to \$1,652,644. The

city started its fiscal year with a balance of \$942,687. Expenditures out of the special fund accounts total \$455,976.

Receipt of \$118,961 from the treasurer's office for the tax collection period, plus the special fund allotment paid the balance at \$124,845 on Oct. 1. The tax commission account had a balance of \$21,893 at the beginning of the fiscal year, providing total available receipts of \$140,555. From this, \$15,709 in disbursements have been paid.

The sales tax fund had a balance of \$350,373 at the beginning of the year in May and during the subsequent five months received \$181,279 for an aggregate of \$531,653. Only disbursement paid out of this fund was the \$53,144 transfer to the sewage treatment plant fund as a loan. This left an Oct. 1 balance of \$478,509 in the sales tax fund.

The tax commission account in the general fund and the sales tax fund in the special accounts are used to bolster other accounts when they run low and to pay off deficits that may be incurred in other accounts.

Three deficits are shown thus far in the fiscal year for the general fund. These include the animal shelter and humane officer fund, \$39; the contingent fund, \$137; and the fund for school crossing guards, \$194.

In all city funds—including the general fund and all special accounts—the city started the fiscal year with balances totaling \$1,047,070, and during the five months of the year thus far has received \$1,493,453 for total available funds of \$2,540,523. Expenses of \$1,017,959, leaving an Oct. 1 overbalance of \$1,522,564.

Uniform Billing, Collection Of Sewer Fees Under Study

A uniform method of billing and collecting all sewer fees in Granite City is to be worked out by the city council's Finance committee, comptroller, treasurer and clerk.

A meeting of the committee and officials was authorized Monday night by the council, on a recommendation by Finance Committee Chairman Paul Rutledge, who said standardizations should bring about a savings and avoid any duplication.

The council has been debating for several weeks whether the work should go to the treasurer or the comptroller. Several ordinances setting forth billing and collection procedures designate the treasurer, while other specify the comptroller.

The fees are for the various sections of the Nameoki area sanitary system and the new sewage treatment plant. Council members have called for uniforming the work now being done by the comptroller to the treasurer's office as designated in ordinances.

The committee and officials are to determine the best economical method.

Sewer Along Pontoon Rd. Authorization also was given for city officials to sign an agreement with the state highway department for an easement to install a sanitary sewer to the newly-annexed site for the new Grigsby junior high school near Long Lake. The line is to in-

ter, 5009 Lewis; Garnett Bloodworth, 2683 Highway 67; Rita Flanagan, 2114 Benton.

Patients discharged Tuesday were: Jessie Carter, 2403 Iowa; Ronald Allen, 3009 Nameoki dr.; Oscar Anderson, 814 Meredith; Madison; Shirley Barnhart, 2419 Hemlock; Peggy Bickel, Collinsville; Melvin Gille, 24 Oaklawn; Robert Hagauer, 2631 Iowa; William Lynn Harris, 2219 Bryn; Robert Hawser, 1626 Wilson; Donna Hutson, 2723 Harvey; Elizabeth Krieschok, 1115 Reynolds; Madison; Elizabeth Legate, 3018 Denver; Herman Mayfield, 2707 Harvey; Gary McFarland, 3009 National; Stella Meyer, 2862 Washington; Johnnie Murphy, E. St. Louis; Kathleen Mowley, 4107 Breckenridge; Ralph Parmlay, 2733 Iowa; Joseph Pfaff, 2942 Oregon; Eugenia Smith, 2903 E. 25th; Mary Smith, 1601 Elizabeth; Madison; Bobbie Steel Jr., 2409 Wilson; Joann Summerford, 1625 Sycamore; Anthony Tadic, 2227 Meridian; Patricia Wright, 1719 Olive.

Fined for Shoplifting Phillis Untage, 37, of 1220 Ohio avenue, was fined \$50 plus \$5 costs Monday in Madison County court on a shoplifting charge of theft of under \$150. She was arrested Saturday afternoon on the W. T. Grant store in the Nameoki Village shopping center.

VENICE LIONS CLUB The Venice Lions Club plans a door-to-door canvass Saturday and Sunday to solicit names and business listings for its Community Birthday Calendar, published annually as a fund-raising project.

The calendar contains a listing of names of individuals on their birth dates, and as an additional service lists on the calendar dates all meetings of official and civic bodies. Funds raised from sale of the calendars are used for community projects. Solicitation during the weekend will be from 1 to 4 p.m. each day.

Pontoon Beach Seeks Loan for Sewer Planning

The Pontoon Beach Water District has filed an application with the Housing and Urban Development Agency for an \$11,000 loan to finance preliminary planning of a district-wide sanitary sewer system, it was reported Tuesday.

Formal application for the loan was held up pending action on the proposal by the East-West Gateway Coordinating Council. Approval by that agency was received Tuesday morning by Edward J. Schwaab, engineering firm representing the water district.

Juneau said the district also has obtained approval from the Illinois State Sanitary Water Board, which meets another requirement specified by HUD. A request by Young Metal Products Co. to borrow the city's street sweeper to clear a newly-poured concrete area was turned down on the basis that several rental firms have the equipment available.

Mrs. Taylor to Enter Four Cats in Show

Mrs. David D. Taylor of the Willow Walk Cattery, 146 Central avenue, Mitchell, will attend the Illinois Feline Fancier's first annual cat show, slated for this weekend in Springfield, Ill.

Three Siamese cats and a Smoke Persian kitten will be exhibited by Mrs. Taylor, including "Willow Walk Yvette," a Siamese which placed first in top feline shows last season in Memphis, Tenn., and St. Louis.

Million Dollar Coin Show This Weekend at Local "Y"

The fourth annual "Coin Festival," featuring an estimated \$1,000,000 in rare coins, will be held Saturday and Sunday at the local YMCA.

Among the exhibits will be a complete set of Aztec calendar-stone coins in gold, issued in Mexico in 1917, ancient Biblical coins and foreign collections.

Police Teletype To be Operating By Early December

Granite City police will be connected by teletype with seven other departments, including the state police, by Dec. 1, it was reported to the city council Monday night by Alderman Whitmer, chairman of the Police committee.

Hundreds of coins and entire collections of unique money pieces will be exhibited by dealers in the YMCA gymnasium, while special displays and showings, together with the auctioneer, will be staged in the auditorium. Coin experts and dealers will participate from Kansas, Indiana, Missouri, Arkansas, Kentucky and Illinois.

A panel of three judges will select trophies for the top three winners. For the first time this year, a category in the judging procedure will be devoted to junior-age entrants. Awards will be made under rules and standards set forth by the American Numismatic Association.

Exhibits still are being accepted for the weekend show. Those interested in displaying coin collections or individual pieces may contact exhibit chairman, Harry Fechte and Mrs. Alice Purdes, of the host club, for additional information on display areas and security arrangements.

115 Criminal Offenses Reported in GC, Down 14

Criminal offenses numbered 115 in Granite City during September, a decrease of 14 from August, according to a report by Police Chief Willard to the city council Monday night.

The total was the same as that for September of last year. The police department answered 779 complaints during September, compared to 927 during August. Twenty criminal cases were cleared during the past month while the detective bureau conducted 134 investigations and interviewed 351 persons.

During August 25 cases were cleared, and the detective bureau conducted 57 investigations and 389 interviews.

September went without a murder case, while one murder was committed and cleared in August.

Types of offenses in September included robberies, two, none cleared; aggravated assault, six, four cleared; burglaries, 24, two cleared; larceny over \$50, 15, one cleared; larceny under \$50, 47, two cleared; and stolen autos, 21, three cleared. In addition, eight miscellaneous cases were cleared.

In August, there were 37 cases of burglary, 11 of larceny over \$50, 61 of larceny under \$50 and 14 stolen autos.

During the month there were 134 accidents in the city in which one person was killed, 35 per-

Pricing Forecasts

Strong grain and cattle prices and lower hog prices were the outlook forecasts made by Bruce Kirtley, University of Illinois livestock marketing specialist, and Earl Peterson, Producers Livestock Marketing Association fieldman, at the recent Madison county feed and livestock outlook meeting.

Kirtley believes cattle prices will work gradually higher until 1968 or 1969, but that cattle feeders profits may be tight due to higher feed costs and feeder cattle costs.

Reports indicate 63% more hogs to be farrowed this fall and 5%

Granite City PRESS-RECORD
Page 44 Thurs., Oct. 20, 1966

more next spring than the previous year.

Peterson said hogs may be down to \$20 next year but Kirtley thinks outlook indications are for hog prices as low as \$18 next year.

Kirtley forecasts soybeans to be around the \$3 level through the next year, and corn \$1.35 to \$1.50. He said some people are forecasting corn prices will go above \$1.50.

Consumer income is up 8% now compared with a year ago.

FARMS—CALL BERGFELD
GL 1-7540

and people will continue to have money to buy agricultural products, including meat, said Kirtley.

Consumer demand for meats is expected to increase normally during the next 12 months. Almost everyone who is willing and able to work can get a job. Wage rates are going up at a rate of 3 to 4% per year.

Swine enterprises in Illinois have a favorable long-run outlook. Hogs will tend to outbid other livestock enterprises for use of excess labor on farms where management skills and high enough prestige values for hog production exist. While pork consumption per person will probably continue to decrease, population growth will more than offset this decline.

About a million more beef cows are needed each year to meet the increased demand for beef in this country. The market for fed beef

is very good and has been expanded tremendously. The expansion of feeding, however, means the competition will continue to be intense.

It Pays to Treat Seed
It still pays to treat your wheat seed. But you may want to consider drill-box treatments this year.

Formerly, elevators and other businesses treated seed. But some farmers became careless and dumped a little treated seed into market channels. Modern detection methods can locate a treated kernel in a carload of grain, so many businesses now hesitate to treat seed.

Treated seed means increased stands and better wintering, better grain quality and yields of three or four bushels more per acre than from untreated seed.

Seed treatment becomes especially valuable when cold, wet weather follows planting or when the seedling emerges slowly.

Seed treatment controls seedling blights, scab, Septoria glume blotch and bunt. If you treat with the slurry or mist method, you can use one of several good fungicides. If you choose to treat in the drillbox, Ceresan MDB or Panogen PX is a good choice. If

you treat in the drill box, you won't have treated seed left after planting.

Machinery on Highways
Harvest time usually brings a crop of highway accidents involving slow moving farm machinery and automobiles. In most of the cases the auto drivers simply do not recognize soon enough that a slow moving vehicle is ahead. Auto drivers are cautioned to be

especially alert this time of year for slow moving machinery on the road.

Farmers also have an obligation to properly identify slow moving equipment with flags; the triangular, orange SMV emblem; and with lights during dusk and at night. The farmer nearly always comes out "second best" in an accident involving farm machinery and an automobile.
